CTT COVID-19 INSTRUCTIONS

- Do not attend if you/your family members feel ill.
- Park with social distancing in mind.
- HQ not open other than for toilets; 1 in, 1 out.
- Bring your own pen to sign in outside HQ and, if needed, safety pins.
- Take with you a compulsory working rear light, a spare tyre/tub/tube and a mobile phone.
- Please note that you have to make your own way back in event of trouble - no collections offered.
- No more than 5 riders, 2m apart, to wait at the start.
- No changing facilities at the HQ.
- No items to be left at the start or with the timekeeper.
- No push-off.
- After racing leave your number in the bowl of disinfected water and sign out.
- No social, no drinks, no food and no prize presentation - sorry!
- No results board - times will be on CTT site and SCA website ASAP.
- Please leave the car park in a timely fashion.

Please note the following CTT regulations and recommendations

Helmets: CTT regulations require the compulsory use of helmets for the under 18s. In the interests of your own safety, Cycling Time Trials and the event promoters strongly advise all competitors to wear a hard/soft shell helmet that meets internationally accepted safety standards.

Competitors' Machines: It is recommended that a working rear light, either flashing or constant, is fitted to the machine in a position clearly visible to following road users and is active while the machine is in use.

Competitors' Vehicles: No vehicles, except those of timekeepers and event officials, shall be parked in the vicinity of the start or finish (District regulation).

Safety Instructions: Details of any additional hazards not listed on the start sheet will be displayed at the signing on point. Competitors must exercise extra care when negotiating all roundabouts.

Warming Up: Competitors are requested not to warm up on the course after the event has started.

Results: No times will be given out at the finish line.

Race Numbers: The race number is made of fluorescent material which is an important safety feature. It is essential that it is placed correctly for maximum visibility to other road users and of course the timekeepers.

Body numbers should be fitted in accordance with Regulation 16 and Arm Numbers should be fitted to the upper arm with the number facing forwards (not inwards).

Be aware that "No time may be recorded if the number is incorrectly positioned".
