Warnings:

Care at Junctions

Riders must exercise care at all junctions. Any competitor whose riding line causes him/her to cross THE WHITE LINE when approaching or leaving a junction will be liable to disqualification and may be reported to the district committee for further disciplinary action.

A competitor who swings out to the right before executing a left turn should ensure that the road behind is clear of traffic before doing so. The practice is not encouraged by the District Committee and competitors who ride in this manner are warned that in many circumstances this manoeuvre will be regarded as a contravention of regulation 47(i), (iii), (v).

No U Turns

Riders must not perform U turns in the vicinity of the start or finish of the event. Riders observed performing U turns will be reported to the District Committee who will consider disciplinary proceedings.

Safe riding

Riding with your head down such that you do not have a good view of the road ahead is dangerous - please watch out for potholes, obstacles, and other road users. Marshalls do not have the authority to control other road users, so please take care.

Helmets

It is strongly advised for your own safety that you wear a hard-shell helmet that meets an internationally accepted safety standard. All competitors who will be under the age of 19 on 31st December of this year **MUST** wear a properly affixed helmet of hard/soft shell construction. For these riders, a helmet is required (CTT Reg 15), instead of just strongly advised.

Rear Light

CTT Reg 14(i) No competitor shall be permitted to start either a Type A or Type B event unless such competitor has affixed to the rear of their machine a working rear red light, either flashing or constant, that is illuminated and in a position that is clearly visible to other road users.

Other notes

A competitor overtaking another must pass without receiving or giving shelter. The onus of avoiding company riding shall be upon the rider overtaken. (CTT Reg 21)

COVID PRECAUTIONS

CTT has issued two PDF documents, a Covid-19 Risk Assessment and “Putting on a Cycling Time Trials Event during COVID19”. If you haven’t already read these, please download from the CTT website and read them carefully. These are the key messages: -

- **Competitors should not attend if they feel ill in ANY way especially if they or family members have any Covid19 symptoms.**
- Vehicle parking is provided at Cranage Village Hall.
- The Village Hall building will be operated on a one-way system for access to the toilet area.
- There are men’s and women’s toilets: one in – one out, wear a mask and queue outside 2 metres apart if necessary. Users will have to apply hand sanitizer on entry.
- There are no changing facilities at the HQ, please come dressed ready to ride.
- No more than THREE riders are allowed to queue at the start, so time your arrival accordingly or wait on Moss Lane suitably spaced until your turn.
- Do not leave any clothing, bottles etc at the start.
- **No assisted push-off.** Riders will have to set off unassisted from the Start timekeeper. Do not cross the start point until you get the signal from the timekeeper.
- There will be no HQ catering facilities. Please bring your own post-ride recovery snacks and drinks.
- There is no public display Results Board, results will be available on the CTT website after the event. Please return to HQ promptly to sign out with your own pen, and return your number. Then please go home and do not congregate.
- Do not approach the timekeepers or any other officials.

Ensure that you review the Risk Assessment at time of signing on!
