	Drighlington Bicycle Club 25 Mile Time Trial – V236/1 Monday 31st August, 2020	Revision No:	Rev 0
		Rev Date:	28/07/2020
		Page:	1 of 1

The CTT has issued two PDF documents relating to COVID-19, these are the Covid-19 Risk Assessment and the guidance document 'Putting on a Cycling Time Trials Event During Covid-19'. Both documents are available on the CTT website in both the 'Forms' section and via the event page. The following points are specific to this event, all riders **MUST** read and adhere to the control measures set out by Drighlington Bicycle Club.

- The HQ will be open from **6:30am**. There is ample parking in the area for riders to sign on and then proceed to your preparation and warm up areas elsewhere. Please park sensibly and avoid blocking any access points, footpaths and grass verges. We have the support of the village hall committee and want to ensure we maintain the relationship for future events and organisers.
- There are no changing facilities or catering at HQ, we only have access to the car park and grounds. You must **bring your own pen for sign on and your own safety pins** to attach race numbers as these will not be provided.
- One rider at a time to enter the sign on area, read any new course guidance / warnings, sign for your disposable number and promptly leave. (Please adhere to any signs)
- Portaloo toilets are available in the carpark which will contain hand sanitisers and surface disinfectant spray. Please use both and leave the toilet in a clean state for the next user.
- **Strictly no parking in the Crab & Lobster (Asenby) carpark or The Angel (Topcliffe)**, riders ignoring this will be reported to the district committee, which may lead to disciplinary action and/or disqualification from the event. We need to maintain the support of the local communities when running these events.
- There are plenty of quiet roads to warm up on, please do not warm up in built up areas such as Topcliffe or Dalton. When approaching the start from Dalton, be mindful that riders may be coming down from the slip road at pace to loop around for their second lap, keep into the left. The use of turbos is not permitted for warming up as we are unable to monitor distancing from other riders or the public.
- Only 3 riders are permitted to queue at the start so please time your arrival accordingly. All riders will start with one foot on the ground, there is no 'push off' or starting gate. Riders must not leave any personal items at the start.
- On completion of your race, please return to HQ and approach the hall to sign off with the same controls as prior to the event. (bring your own pen, wear a face mask / covering) Competitors are asked to dispose of their own race numbers and not to return them to HQ when signing off.
- There will be no results board on the day, all results will be published via the CTT website as soon as possible. Please sign off and depart the area promptly to keep congestion to a minimum.

The organisers at Drighlington Bicycle Club have put a lot of work into ensuring this event can proceed safely, we rely on all riders to support and follow the controls listed above.

DO NOT ATTEND THIS EVENT IF YOU OR ANYONE THAT YOU HAVE BEEN IN CONTACT WITH HAVE DISPLAYED ANY CORONA VIRUS SYMPTOMS IN THE LAST 14 DAYS.

Thank you for your support, have a safe and fast ride!!
