CTT Regulations require the use of a helmet that meets internationally accepted safety standards for all competitors.

CTT Regulations now require that no competitor shall be permitted to start either a Type A or Type B event unless such competitor has affixed to the rear of their machine a working rear red light, and to the front of their machine, a working front white light, either flashing or constant, that are illuminated and positioned to be clearly visible to other road users.

London South DC strongly recommend that riders do not wear black or dark clothing during any event held on the public road.

**Under 18 years old riders: Bring a completed Parental Consent form to present before signing-on.
No form = No ride.**
