Martin Osman

Martin Osman, a well-known and well-liked Midlands rider, was tragically killed in an accident while riding an evening club event on the K33 course a few days before the VTTA National 25 Championship was due to be held on the 18th July. As a result, the Championship was postponed. Martin was also down to ride in the VTTA Championship and his start number was 6.

Out of respect we have left the number 6 position empty on the revised start list. We have also sent a gift to Martin's family from the entry fees for the event.

Phil Guy and myself wish everyone a good day's sport.

Please keep your head up and ride safely and sensibly at all times.
