### NOTES TO ALL COMPETITORS

Please do not park in the small car park alongside the event HQ – it would be nice to reserve that little area for the timekeepers, marshals and the catering team. There is plenty of car parking just a little bit further away but there is no car parking near the start line and to attempt to park there will endanger competitors.

Please remember to sign on and look out for any updated safety information.

Please also remember to sign back in when you finish!

All competitors must, at all times, obey the rules of the road and the rules of our sport. Please don't take any unnecessary risks and make getting back home to your families your first priority and a fast time your second priority. Keep your head up and have a safe and speedy ride.

This event is immediately followed by the Port Talbot Wheelers Open 10 and the plan is to have both award presentations after the end of the Open 10. Tea, cakes, chat and banter will help pass the time away!

### RACE H.Q. – RESOLVEN AFC LIMITED SPORTS & SOCIAL CLUB, RESOLVEN, SA11 4LD

The headquarters will be open at 13.00hrs and race numbers will be available almost immediately. Please note that we are in the bar and lounge as the main hall is not available.

You'll get to the event via the A465 and travelling up from the 'south' (Neath and the M4) you'll come to the Resolven roundabout and you need to take the fourth exit (almost back on yourself). Coming down from the 'north' (Hirwaun) go straight on at the McDonalds roundabout and then at the Resolven roundabout take the second exit left (just before you continue down the dual-carriageway).

Getting to the start is a doddle. From the HQ just turn left at the 'T' junction and it's just a few hundred metres further down the service road leading to the industrial units. If you're having a recce beforehand the start is near Mollart Engineering.

Please take care when warming-up and avoid turning in the road. Competitors are not allowed to pass the start until they actually start the event so time your arrival to the start with care although you can safely keep warmed up whilst also staying behind the start.
