Notes and Local Regulations

We highly recommend you the Risk Assessment document on the CTT District website (<https://manchester.ctt.org.uk/>) – especially those riders who are not familiar with the course and its junctions (plus its ruts and potholes).

Warnings:

Care at Junctions

Riders must exercise care at all junctions. Any competitor whose riding line causes him/her to cross THE WHITE LINE when approaching or leaving a junction will be liable to disqualification and may be reported to the district committee for further disciplinary action.

A competitor who swings out to the right before executing a left turn should ensure that the road behind is clear of traffic before doing so. The practice is not encouraged by the District Committee and

competitors who ride in this manner are warned that in many circumstances this manoeuvre will be regarded as a contravention of regulation 47(i), (iii), (v).

No U Turns

Riders must not perform U turns in the vicinity of the start or finish of the event. Riders observed performing U turns will be reported to the District Committee who will consider disciplinary proceedings.

Safe riding

Riding with your head down such that you do not have a good view of the road ahead is dangerous - please watch out for potholes, obstacles, and other road users. Marshalls do not have the authority to control other road users, so please take care.

Helmets (CTT Reg 15) **Note change to rule re: All competitors**

All competitors must wear a properly affixed helmet which must be of hard/soft shell construction. Helmets should conform to a recognised Standard as detailed in CTT Reg 15.

Lights

Rear light. CTT Reg 14(i) No competitor shall be permitted to start either a Type A or Type B event unless such competitor has affixed to the rear of their machine a working rear red light, either flashing or constant, that is illuminated and in a position that is clearly visible to other road users.

Front Light. CTT Reg 14(j) No competitor shall be permitted to start either a Type A or Type B event unless such competitor has affixed to the front of their machine a working front white light, either flashing or constant, that is illuminated and in a position that is clearly visible to other road users.

Other notes

A competitor overtaking another must pass without receiving or giving shelter. The onus of avoiding company riding shall be upon the rider overtaken. (CTT Reg 21)

Riders should not warm up on the course after the event has started.
