Competitor information

- This race is promoted for and on behalf of Cycling Time Trials under their rules and regulations. These can be viewed on their website at <https://www.cyclingtimetrials.org.uk/articles/view/11>
- Please take extreme care on the course as the road is narrow in places, and is open to normal traffic. The race will be well signed and marshalled but there may be cars on the course.
- Please do not ride up or drive on the course when the race is taking place. After the finish, descend safely down the course to return to the HQ. Whilst doing so, please be mindful of riders coming up the hill.
- Please do not park at or near the start. The HQ is close to the start, where there is plenty of space to warm up on your turbo trainer. Please note that there is no room to park on the hill. Parking there will use up valuable passing space which could result in a competitor being delayed.
- The course has been risk assessed, and this can be viewed here: <https://www.londonwestdc.co.uk/hhc018ra> Details of any hazards not listed on this start sheet will be displayed or advised at the signing on point. All competitors must take note of these details when they sign on.
- Please be courteous to local residents. In particular, please keep noise to a minimum when riding through the village and in the start area, and be careful not to litter. There are good toilets in the HQ. Please ensure you use those rather than anywhere else.
- Please note that a competitor:
 - (a) May be held but shall not receive a push start;
 - (b) May not cover any part of the course on foot; and
 - (c) May not be accompanied by persons on foot.
- All competitors under the age of 18 years and / or Juniors must wear a properly affixed helmet which must be of hard / soft shell construction. Helmets should conform to a recognised Standard such as SNELL B95, ANSI Z90.4, AUS/NZS 2063:96, DIN 33-954, CPSC or EN 1078. It is the responsibility of the rider (or parent or guardian if the rider is under 18 years of age) to:
 - (a) Select a Helmet that offers protection against head injury and does not restrict the rider's vision or hearing.
 - (b) Ensure that the helmet is properly fitted, is undamaged and in good condition.
- Enjoy your ride! Allez, allez, allez...

With thanks to members and friends of Cycle Club Basingstoke (CCB)

If you enjoyed this event, please consider entering the Farnham RC hill climb on the same course on Sunday 20th October.
