## Competitors must exercise care when

- Joining the A271 at Windmill Hill
- Joining the B2096 at Woods Corner
- Joining Middle Lane (just after turning left at Three Cups Corner)

## Road Conditions

In general the course is OK, however there are numerous pot-holes in the road surface at various points around the course. On the upward hill sections these are relatively simple to spot and evade, however on the faster downhill sections please be cautious.

In particular the run downhill from the start to Windmill Hill is in poor condition near the kerb side, but better 1-1.5m away from the roads edge. There are also a number of larger holes immediately after the turn at Three Cups Corner. We will try to mark out significant holes, but due to the high number it will not be possible to mark them all.

## 2019 ESCA Presentation

Shortly after the 2020 Hard Riders event and at approximately 11.00AM the 2019 ESCA Trophy Presentation will take place at the Event HQ.

Save as otherwise provided, the Event Secretary shall have discretion to arrange the starting order as they wish bearing in mind the characteristics of their event and the need to avoid company riding as far as possible.
