IF YOU ARE NOT WELL OR ARE SHOWING SIGNS OF COVID-19 THEN PLEASE DO NOT COME TO THIS EVENT.

BRING YOUR OWN PEN AND A WORKING REAR LIGHT!

Whilst we have many procedures outlined below we may have to make changes based on events on the day. These will be communicated fully where appropriate. You are expected to follow the guidance of the marshalls.

This event is run under CTT regulations which can be found here: <https://www.cyclingtimetrials.org.uk/>

1. Event HQ

We are using Hungerford Cricket Club with an overflow into Hungerford Football club. There will be toilet facilities available. These are not to be used as changing facilities. Due to COVID restrictions there will be no changing facilities. You are asked to not urinate in the carpark or grounds or change in full view of any of the residents.

We are very lucky to have this facility, so please do not give them reason to take it away. All future references to "HQ" in this document are referring to this facility.

DO NOT arrive too early or you will be asked to stay in your vehicle, There will be no gatherings permitted in the carpark and no turbo trainer/roller warm up are permitted at HQ. When warming up on the road please ensure you are not gathering with other riders. Riders not following guidelines or instructions from officials will not be permitted to race and will be reported to CTT.

Strava route from HQ to the start can be found here: <https://www.strava.com/routes/2729433322806403148>

Strava route from finish to HQ can be found here: <https://www.strava.com/routes/2729434446931446832>

The B4192 west of Hungerford is a good road to warm up on. Please do not warm up on course. Please DO NOT park on the finish layby on the A4.

2. Sign-On

Sign-on is currently very different to what we are used to. No hugging, no kissing and no exchanging of niceties. But there are some other restrictions in place. You will be expected to follow them. Please bring your own pen!

We will ask you to respect the social distancing rules and **maintain 2m distance** between people in all directions at all times. This is to ensure we can successfully run this event and others in the future and that any curtain twitchers have no material to send to the local gossip column/social media outlet/news outlet. We are all in this together so please **respect the volunteer team** and their decisions. Riders not adhering to the restrictions in place will not be permitted to race, will be reported to CTT and refused entry to future events.

If you will not be attending then please let us know by messaging the organiser on 07766 831267.

Your temperature will be taken by the official handing out numbers. Anyone who doesn't get a smiley face on the thermometer will not be permitted to race. Your number will be placed on a table at the HQ, please check your number on the list below. The numbers are new, have never been used and the person putting them out will have taken necessary sanitizing steps before and after laying them out. **No safety pins will be provided, if you need them, you will need to bring your own.**

3. Course Detail

START on A4 approximately 2 miles east of Hungerford, and 258yds east of entrance to former Norland College adjacent to gated field entrance SU366684 Proceed east on A4 to first roundabout at the junction of A4 and B4000 - 5.3 miles Take 4th exit and retrace west on A4 To FINISH at layby on south side of road 0.6 miles east of start at SU371684, approximately 50yds west of junction with Radley Bottom road where finish 10.000 miles.

Strava Route: <https://www.strava.com/segments/25105491>

4. Race Protocol

Participants will be asked to maintain social distancing. **No gatherings in groups, no turbo trainer warm up.** If you arrive early you will be permitted to ride on the roads to warm up or sit in your car. We will have 6 waiting spaces marked out plus the rider waiting to race at the start line, therefore **please only arrive at the start line a maximum of 6 minutes before your time listed in Appendix A.** You will not be permitted to wait if you arrive earlier. Please note there is a gate to a working farm just before the start line. You are requested to not wait in front of this gate.

Please do not bring friends or family members: they will not be permitted to leave their car. The only exception to this is minors who can be accompanied by a guardian from within their own household or "bubble". They are however not permitted to enter the start area.

Riders are not permitted to ride on course with a number on their back. There

are plenty of other roads where warm up is possible without riding on the course. Please be mindful of racers when arriving by bicycle.

The Time Keepers will be wearing face coverings and will be checking that riders a) have their number attached and, b) have a working rear light. **If either of these are missing you will not be permitted to race.** There will be no “pusher offer” and you will have to do a standing start on your own. Rolling starts will not be permitted.

Make it easy for the finish time keepers, when you cross the line, shout your number. **As loud as you can. Do not approach the finish time keeper at any point for any reason.**

Once you have finished your race return to HQ to sign out and collect your souvenir bag. Do not return your numbers, you keep these.

5. Race Results

Race results will not be displayed at HQ but we will have a live results service running on our Twitter feed and Facebook page which you can follow or by scanning the QR code at HQ when you return your number. You can follow us @newburyvelo on twitter or <https://facebook.com/newburyvelo>

These results will be provisional until verified by the official timekeepers.

6. Refreshments

To ensure we comply with the government regulations, the CTT guidance and risk assessment, as well as socially acceptable practice, there will be no brownies after this event. For this we are deeply sorry and will ensure that as soon as we are permitted to, you will receive double helpings of brownies.

7. Start List

Appendix A is the rider list with the number assigned to you. This is the number that must be collected from the HQ upon arrival. Please do not swap numbers: your emergency contact details are assigned to this number and we really don't want to be phoning the wrong person in case of an emergency. If you are unable to attend, DO NOT swap your name with someone else. Riders found doing this will not be permitted to race, will be reported to the CTT and will not be accepted in future events.

8. Vehicles on course

Time trialling under CTT regulations is unsupported. Riders must not be followed for any reason whilst on course. Any rider suspected of this will be disqualified and reported to the CTT. This practice and so called layby hopping is dangerous for other participants and a nuisance to traffic and will not be permitted under any circumstances.

9. Summary

In these unusual circumstances we find ourselves having to change the way we run events. The team has put a lot of work into making sure we are able to follow the government guidelines, the CTT guidance and make sure that the risk to you, us and the general public of transmitting or catching COVID-19 are kept to an absolute minimum.

These restrictions are not here to make life difficult for you or the volunteer team, they are here for the above reasons but also to ensure that we are allowed to run these events.

We would like to thank all our volunteers and sponsors and hope that you enjoy the event as well as the gift bag we have arranged with the help of our sponsors.

Ride Safe. Ride Strong. **Thank you for your support!**
