**CTT Regs:** Working, and switched on, front and rear lights, and a helmet, are mandatory in all CTT events.

**Once you have finished your race** you will be asked to return your number & sign out, back at the HQ. Please stay for a quick presentation which will take place shortly after the last rider has finished (and returned their number!).

**Parking** – Please use the car park at the Village Hall and overspill field, be aware this is a residential area & many will (sensibly!) still be in their beds so please keep the noise levels down, no noisy turbos please. Be aware this is a residential area, no parking in the vicinity of Greatham Church as they also have an event on.

### **Warming up**

Please no warming up on turbos where you will disturb local residents before 07.00. Farnham Road close to the start is a good place to warm up.

### **Route to the start**

Allow 15/20 minutes to get the Start: Turn right out of the HQ & head towards the A3, cross Ham Barn Roundabout taking the second turning onto Farnham Road & go straight on passing the turning into Liss Village. At the bottom of the hill take the first exit at the small roundabout & after approximately 200 yards you will find the start

### **Route back from the finish**

Once you cross the finish keep moving and DO NOT turn round, just continue on Farnham Road then take the first right towards Greatham Village Hall.

IN TH INTERESTS OF YOUR OWN SAFETY, Cycling Time Trials and the event promoters require you to wear a HARD-SHELL HELMET that meets an internationally accepted safety standard. It is also compulsory that WORKING FRONT & REAR LIGHTS, either flashing or constant, are fitted to the machine in a position visible to road users and are active while the machine is in use at all times.
