HEADQUARTERS

The Goyt Valley is a beautiful place. Unfortunately, due to its location, there is no event HQ or toilet facilities. The nearest public conveniences are in Buxton and in Whaley Bridge. There is ample car parking in the large parking area at the eastern end of the dam across Errwood reservoir. Please be respectful of others who may be using the car park or who may be walking locally.

Numbers and Signing on/off: Signing on/off will be at the layby 30 yards before the start (please wear a mask and bring your own pen) and the numbers will be laid out for safe collection (please bring your own pins).

Remember to sign out and return the number to the receptacle provided in order that they can be disinfected. **Failure to sign out will result in a DNF classification.**

There will be no refreshments or results board after the event. The results will be emailed as soon as possible after the event.

In the interests of your own safety, Cycling Time Trials and the event promoters strongly advise you to wear a hard shell helmet that meets an internationally accepted safety standard.
