Please pay attention to the following CTT regulations/recommendations

- **Helmets** CTT regulations require the compulsory use of helmets for the under 18s. In the interests of your own safety, Cycling Time Trials and the event promoters strongly advise all competitors to wear a hard/soft shell helmet that meets internationally accepted safety standards.
- **Parental Consent Forms** All riders under 18 download a parental consent when they enter online. The form must be completed and brought with you on the day. Please hand it in before signing on.
- **Lights** No competitor shall be permitted to start the event unless such competitor has affixed to the rear of their machine a working rear red light, either flashing or constant, that is illuminated and in a position that is clearly visible to other road users. **NOTE THIS IS A NEW REGULATION FOR 2020.**
- **Warming up** Competitors are requested not to warm up on the course after the first rider has started.
- **Competitors' Vehicles** No vehicles, except those of timekeepers and event officials, shall be parked in the vicinity of the start or finish.
- **Official Observers** Official observers will be stationed around the course.
- **Results** No times will be given out at the finish.
- **Race Numbers** The race number is made of fluorescent material which is an important safety feature. It is essential that it is placed correctly for maximum visibility to other road users and of course the timekeepers. No time may be recorded if number is not correctly positioned.
- **Signing Out** Please note competitors must return to the event HQ either during the event or within a reasonable time after the last rider has finished the event and must return their race number and sign the official signing out sheet.
