**Your number**, will be placed on a table at the HQ, please check your number on the list. Numbers will have been sanitised and no safety pins will be provided. If you need them please bring your own.

**Event Protocol:** You are asked to maintain social distancing. No gatherings in groups & turbo trainer warm ups will be allowed if this is done away from other competitors and out of view of the road. We are allowing 5 riders at a time at the start therefore please time your arrival at the start line a maximum of 4 minutes before your time,

This event precedes "The National Youth Championship", therefore there will be a lot of stressed persons about & getting in a panic, there will be many hissy-fits, please show patience & understanding, as for the youngsters riding, well I doubt they will be a problem at all, remember, please give them a bit of encouragement on their big day.

There will be no pusher-offer, you will have to do a standing start on your own. Rolling starts will not be permitted. Please do not warm up along the course once the event has started & no stopping off at the Burger Van at the turn as the ketchup will only stain your skinsuit.

At the finish please shout your number for the finish timekeepers; they are rubbish at lip reading. Do not approach the finish timekeepers; they are not fed before the event. Please move away from the finish as soon as you can breathe again, we have nobody spare for crowd control, please make your way back to the HQ.
