#### Warnings:

##### **Care at Junctions**

Riders must exercise care at all junctions. Any competitor whose riding line causes him/her to cross THE WHITE LINE when approaching or leaving a junction will be liable to disqualification and may be reported to the district committee for further disciplinary action.

A competitor who swings out to the right before executing a left turn should ensure that the road behind is clear of traffic before doing so. The practice is not encouraged by the District Committee and competitors who ride in this manner are warned that in many circumstances this manoeuvre will be regarded as a contravention of regulation 47(i), (iii), (v).

### **No U Turns**

Riders must not perform U turns in the vicinity of the start or finish of the event. Riders observed performing U turns will be reported to the District Committee who will consider disciplinary proceedings.

### **Safe riding**

Riding with your head down such that you do not have a good view of the road ahead is dangerous - please watch out for potholes, obstacles, and other road users. Marshalls do not have the authority to control other road users, so please take care.

### **Helmets**

It is strongly advised for your own safety that you wear a hard-shell helmet that meets an internationally accepted safety standard. All competitors who will be under the age of 19 on 31st December of this year **MUST** wear a properly affixed helmet of hard/soft shell construction. For these riders, a helmet is required (CTT Reg 15), instead of just strongly advised.

### **Rear Light**

CTT Reg 14(i) No competitor shall be permitted to start either a Type A or Type B event unless such competitor has affixed to the rear of their machine a working rear red light, either flashing or constant, that is illuminated and in a position that is clearly visible to other road users.

### **Other notes**

**A competitor overtaking another must pass without receiving or giving shelter. The onus of avoiding company riding shall be upon the rider overtaken. (CTT Reg 21)**

### **COVID PRECAUTIONS**

CTT has issued two PDF documents, a Covid-19 Risk Assessment and “Putting on a Cycling Time Trials Event during COVID19”. If you haven’t already read these, please download from the CTT website and read them carefully. These are the key messages: -
