There will be a separate start line official checking compliance with the regulations. Any competitor not in compliance will not be allowed to start.

### Route to/from Start

The start is located in the westbound layby on the A534, approximately 3/4 mile East from the junction with B5130, Sibbersfield Lane. The course uses the A534 in both directions at this point, so we advise riders to cross the A534 carefully to B5069 and use Wetreins Lane / Stretton Hall Lane and then turn left onto the A534 to reach the start layby. Note this is approximately 4 miles distance, so leave sufficient time. See below:

After finishing, be aware that the direct route back to HQ along the A534 passes the start. Please be courteous to riders starting their event when using this route.

### Additional Course Safety Notes

Llan-y-pwll roundabout is encountered twice at 4.2 miles and 9.1 miles. This is a large and potentially busy roundabout with 5 exits. Do not use tri bar position at this junction.
