***Warnings:***

**Care at road junctions:**

Riders must exercise caution at all junctions. Any competitor whose riding line causes her/him to cross the white line when approaching or leaving a junction will be liable to disqualification from the event and may be reported to the District Committee for further disciplinary action.

A competitor who swings out to the right before executing a left turn should ensure that the road behind is clear of traffic before doing so. The practice is not encouraged by the District Committee and competitors who ride in this manner are warned that in many circumstances this manoeuvre will be regarded as a contravention of regulation 47(i), (iii), (v).

**No U-Turns**

Riders must not perform U turns in the vicinity of the start or finish of the event. Riders observed performing U turns will be reported to the District Committee who will consider disciplinary proceedings.

**Safe riding**

Riding with your head down such that you do not have a good view of the road ahead is dangerous - please watch out for potholes, obstacles, and other road users.

Marshalls do not have the authority to control other road users, so please take care.

**Helmets**

CTT Reg 15 All competitors MUST wear a properly affixed helmet of hard/soft shell construction that meets international standards.

**Front and Rear Lights**

CTT Reg 14(i) No competitor shall be permitted to start either a Type A or Type B event unless such competitor has affixed to the rear of their machine a working rear red light, either flashing or constant, that is illuminated and in a position that is clearly visible to other road users.

CTT Reg 14(j) No competitor shall be permitted to start either a Type A or Type B event unless such competitor has affixed to the front of their machine a working front white light, either flashing or constant, that is illuminated and in a position that is clearly visible to other road users.

**A556**

Riders must exercise extreme caution when joining the A556 and be in single-file. Proceed with caution keeping close to the verge. Any rider who joins the A556 in a manner which causes them to cross the dividing line of the two-lane carriageway will be disqualified from the event and may be reported to the District Committee for disciplinary action.

**Byley Crossroads**

Please take care negotiating the right turn at Byley Crossroads. Anyone deemed to have done so in a dangerous manner will be disqualified from the event and may be reported to the District Committee for disciplinary action.
