

Southdown Velo Time Trials 2019

(Promoted for and on behalf of Cycling Time Trials under their rules and Regulations)

"The Icicle Hillclimb" ~ Sunday 24th November

Incorporating: The South DC District Championship

P91/HC Knights Hill (Charlton Goodwood)

Timekeepers: Peter Delves, Kathleen Collard-Berry

Start Line Stewards:

Marshals & Crew: Members of Southdown Velo

Catering:

Results & Presentation: John Rowlands & dcb

All Riders Please Sign-on By 10:45 or Text 07967 223619 if arriving later.

Headquarters: The Triangle, The Trundle, Goodwood: If travelling south or north on the A286 take the turning at Singleton for the "Open Air Museum" & "Goodwood", turn onto "Town Lane" & follow up to the top of the hill where you will find the Triangle Car Park (remember this is a low frills event).

This is a budget busting low frills but a few thrills event. So prizes are modest, but "WYWISWYG". The Open Event prizes will be for the first place either gender (BoE Vouchers), then a random assortment of prizes for the places. South DC riders qualify for RTTC District Awards for 1st 2nd & 3rd (either gender) & 1st Team.

There is a "club event" also taking place, they will be numbered from "1" - "17" & then from "31" (entry on the day). Prize presentation will take place after both events are completed (prizes detailed above do not qualify in the club event). For members of Bognor Regis CC, Hants Road Club, ...a3crg & Southdown Velo, the times for both events count towards the "Inter-Club" awards.

Course Description: The Start is at the entrance of "Charlton Mill Way" Charlton (PO18 0HY). Proceed with passion up Knights Hill (there is always someone taking pictures) until you meet the entrance of the Triangle Car Park on the right & the service entrance for Goodwood Racecourse to the left (**the finish**) **1 mile**, in reality you should just about make out the chequered board while you gasping for that last breath to reach the top.

IN THE INTERESTS OF YOUR OWN SAFETY, Cycling Time Trials and the event promoters strongly advise you to wear a HARD SHELL HELMET (compulsory for all riders under 18) that meets an internationally accepted safety standard. It is also recommended that a WORKING REAR LIGHT, either flashing or constant, is fitted to the machine in a position visible to following road users and is active while the machine is in use
