This event is promoted for and on behalf of Cycling Time Trials under their Rules and Regulations.

In the interests of rider safety and in addition to the compulsory rear light required under CTT regulation 14(i) and the advisory use of suitable hard shell helmets in competition for competitors over the age of 18, London South DC strongly recommend that riders do not wear black or dark clothing during any event held on the public road. The rear light, either flashing or constant, must be fitted to your cycle, in a position clearly visible to following road users and is active during your ride.

Riders under the age of 18 are required to provide a completed Parental Consent form before being allowed to sign on and compete. CTT Regulations require the compulsory use of a helmet for the under 18s.

It is a London South District Regulation that no vehicles, except those of the Timekeepers and Event Officials, shall be parked in the vicinity of the start and finish areas.
