- At the start please queue in single file off the road.
- Please do not make 'U' turns at either the start or the finish. Do not warm up past the start or finish.

- The road narrows at Berkley Bridge (approx. 2.5 miles). There is a shared pavement / cycle path over the bridge, but you are under no legal obligation to use it. If staying on the road take care, be aware of cars approaching from behind, and indicate your intentions clearly.
- About 0.6 miles after Berkley Bridge the road narrows on the approach to the car auctions (entrance on the left on the outward leg). Watch out for traffic turning into the car auctions premises.
- All competitors must wear a properly affixed helmet which must be of hard/soft shell construction. Helmets should conform to a recognised Standard
- It is also required that a front and rear light, either flashing or constant, is fitted to the machine in a position visible to road users.

Dangerous riding will result in disqualification. **Please keep your head up for a safe ride.**
