Encircle island and retrace along A614 to finish at LP No. 08212 at northern corner of triangle at end of Ancient Lane (10 miles).

Numbers will be available as usual at the event HQ prior to the event.. Keep your heads up while riding and obey the rules of the road. Remember that marshals are there to warn traffic that is a race on not stop the traffic or advise you whether it is clear. Take responsibility for your own riding at all times. The road surface on the course is a little rough, might be best leaving them silk track tubs at home for this one. There are also a couple of junctions off to the side of the main road so keep aware of the traffic around you. Make sure that you stay **safe** first and fast second.

## **HELMETS**

All competitors must wear a properly affixed helmet which must be of hard/soft shell construction. Helmets should conform to a recognised Standard such as SNELL B95, ANSI Z90.4, AUS/NZS 2063:96, DIN 33-954, CPSC or EN 1078. It is the responsibility of the rider to:

- (a) Select a helmet that offers protection against head injury and does not restrict the rider's vision or hearing.
- (b) Ensure that the helmet is properly fitted, is undamaged and in good condition.

## **LIGHTS**

An illuminated rear light and front light, either constant or flashing, must be affixed to your machine in a position that is clearly visible to other road users. No working lights = no ride.

## **Prizes**

TBC - Prize winners will be sent their prizes after the event. Let's face it, none of us are in this for the prizes!

Remember to sign off after you have finished!

Thank you to all Marshals and Club members, who without, would not make this possible.
