If you suspect that you have COVID-19 or are displaying any symptoms, please do not attend the event

**Event HQ:** The event HQ for this event is The Christy Hall, Old Alresford, SO24 9DH. There is a small car park beside the hall and plentiful on street parking outside and nearby. Should we need it there is also additional parking available at The Watercress Company at the end of the lane. There are no changing facilities available so please arrive ready to ride. There are toilet facilities in the hall available to use but is a 'one in one out' policy to comply with the village hall risk assessment. There will also be a coffee van at the HQ for pre/post race caffeine hits...please ensure social distancing is maintained when queuing or enjoying your drinks!

**Sign-On:** Sign on will open at 08:00am from the Venta gazebo outside of the hall to prevent cross-contamination and aid ventilation. Please bring your own pen to sign on and collect your disposable number which will be laid out ready for you with pins available. You need not return your number to the HQ afterwards...keep it as a souvenir!

A parental consent form is required for any rider under 18 years of age. Please print off and complete a "parental consent (open events)" form at the link below. Unfortunately, no form means no ride.

<https://www.cyclingtimetrials.org.uk/documents/index/guardians>

**Warm Up:** Rollers or turbos will not be permitted in the village hall car park out of respect for other users. Preference is for riders to warm up on the local roads but if using static warm ups please find a space away from other riders and members of the public and abide by social distancing.

**The Course:** This event is being run on the HCC283 (10) course. The start is on Spiers Lane approximately two miles from sign-on so please allow approximately ten minutes to ride from HQ to the start. We will be allowing 5 riders at a time at the start so please arrive a maximum of 4 minutes before your start to avoid large gatherings. Please ensure you have a working rear light which is now a requirement in all CTT events. As we are now all familiar with, there will be no pusher-offer, so start will be with one foot down. There is only one turn on this course as you enter Preston Candover which will have a marshall in place.

***START on Spiers Lane at layby, approx 1 km North of Monkwood Sawmill.***

***Proceed North on Spiers Lane towards Preston Candover, to junction of Spiers Lane/B3046.***

***Turn left and head South along B3046 towards Northington and through to Old Alresford.***

***FINISH at Old Alresford village sign, opposite St. Mary's Church, (15.7 km).***

***\*\*\*Please note you need to pass HQ and have one final little up hill to reach the finish line. Do not sit up when you get back to the Christy Hall thinking that you have finished!!!\*\*\****

A map is attached below...

**At The End:** When you cross the finish line please shout your number to David and Kathy as loud as you can possibly muster after your epic ride...then keep rolling until it is safe to turn around and return to HQ. It is recommended that you continue for approximately quarter of a mile past the finish line and turn at the junction of Bighton Lane on your left hand side. Unfortunately, due to social distancing restrictions there will not be the usual wide selection of tea and cakes. Results will not be published at HQ but will be available online ASAP.

**....and Finally:** We are grateful to Christy Hall for allowing us to use the premises and The Watercress Company for allowing us to use their venue for overflow parking. Please respect the local community and other hall users by maintaining social distancing at all times and please do not associate in groups of more than six people at any time!
