The HQ is being used by Bath CC Hill Climb in the morning, so it will be open all day, although VC Walcot member will be around from ~1200hrs to setup and sign-on will open in the HQ around 1230hrs.

The Police have requested that inconvenience to the public and other road users be kept to a minimum.

Once you have finished your race return to HQ to sign out

Spectators

The supporters at the VC Walcot Hill Climb are one of the most important and defining features of the event. Please give all the riders your best support – but **please follow the directions of the marshals** to ensure that the road is not blocked and so that the riders are not impeded. The faster we can assist cars to clear the course, the less obstruction there will be for the riders racing.

Please ensure that you are not in the final 50m of the course – please proceed a short way further down the hill (the view is better there anyway).

Please do not block the entrance to the American Museum. People waiting close to the finish should also not disturb the timekeeper at the finish.

However, please do bring your cowbells, voices, and exuberant enthusiasm to cheer on the riders!
