There will be a scaled down presentation of the Cup and medals at end. Again please try to observe social distancing.

We will be doing the club photographs again this year so please form in your club groups over near the trees approx. half an hours before your first rider is off.

The Georgetown Cup is an inter club challenge awarded to the cycling club team with the fastest 8 riders on combined time.

We have simplified the qualifying criteria this year. No 'invitation only' race teams can count for the team.

The Ladies Georgetown Cup will be awarded to the cycling club team with the fastest 3 ladies on combined time. Ladies may count for both the ladies team and the club team. If no team returns 3 ladies for any of the medal positions then 2 lady teams will be taken into account.

Notes for competitors

There are no toilet facilities at the Strip. Please make use of toilets nearby e.g. Asda at Phoenix, Tesco at Linwood or Morrisons in Erskine. If you need to go behind a bush please do not do this anywhere near Georgetown Road, particularly round about the start area as this is a residential area. Anyone spotted doing this will be disqualified.

Competitor parking will not be allowed round the tented village HQ area. There is ample parking within Inchinnan Industrial Estate. Please park in any of the car parking spaces further round, or even kerbside, but keep the tented areas clear for the catering stalls.

CLUB GAZEBOS

We welcome club gazebos being added to the tented village area. Please only erect your gazebos in the cordoned off area beside the main sign on. No club gazebos should be erected on the grass outwith this area.

Absolutely no cars to be brought onto Georgetown Road start/finish area and no parking in the car park of the Veterinary Surgery .

Due to congestion round the start area we will be restricting Georgetown Road to only those teams about to start. Please do your warm ups within Inchinnan Industrial Estate and only make your way round to the start at the appropriate time.

When finishing the race all competitors must immediately clear the Georgetown Road and not congregate round the finish area as this is disruptive to traffic flow, spoils people's finishing efforts and disturbs the timekeepers.

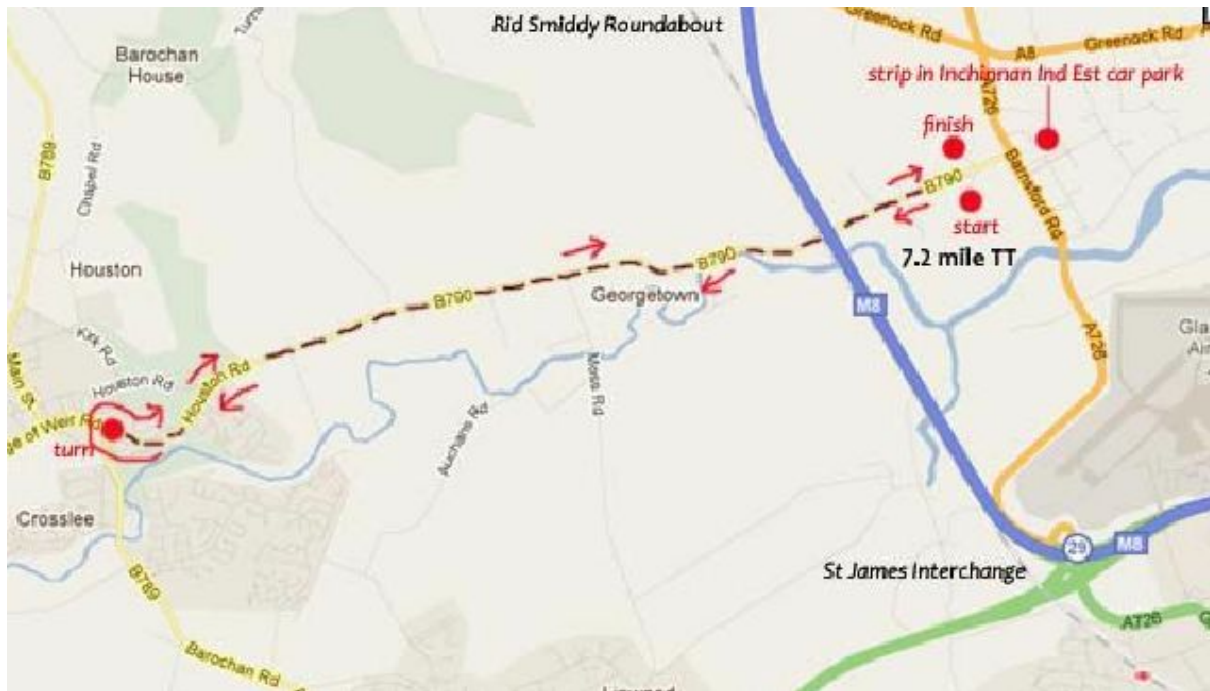

Rider must under no circumstances approach the time keepers' car and ask for their time. There will be Marshals at the start/finish area enforcing these rules. All times will be displayed within minutes of each team finishing on the result board round at the strip.

Flying Scot Rally

This years Flying Scot event will have awards for 1st 2nd and 3rd and also fastest lady Flying Scot.

The rally itself will have award for the 'Best in Show'

Please support the Flying Scot Rally and please give generously.
