| <b>Results:</b>             | Provisional results available on-line during the event via<br><a href="https://www.resultsheet.co.uk">https://www.resultsheet.co.uk</a> |

**CTT Regs: Working, and switched on, front and rear lights, and a helmet, are mandatory in all CTT events.**

**Parking** – Please use the car park at the Village Hall and overspill field, be aware this is a residential area & many will (sensibly!) be up to various activities under the duvet. So please keep the noise levels down, no noisy turbos please. No parking in the vicinity of Greatham Church.

**To the Start:** Turn left outside of the Village Hall and continue to the end of the road where turn right on to the A325 roundabout where take the 2<sup>nd</sup> exit towards the A3. When you reach the roundabout on top of the A3 go straight over to the 'holding area' above the A3 and 50 meters from the start. There is no need to go back & forth to the start as we do not move it once the event has started.

When you have finished, don't sit up, you are still in "live" traffic, take care coming up to the Ham Barn roundabout and take the third exit towards Greatham and HQ. You will arrive at the village hall from the opposite direction.

**Greatham Village Hall (HQ)** Will be Signposted from Ham Barn Roundabout A3

**Once you have finished your ride** you will be asked to return your number & sign out, back at the HQ. Please stay for a quick presentation which will take place shortly after the last rider has finished (and returned their number!).

**Please do not ask the Timekeepers where the course goes, they time it, not ride it.**

### **Procedure During the Event:**

If caught, ease back; do not take pace on the wheel of the rider who caught you.

If passing a rider, please make sure the effort is enough to pass completely.

Look where you are going, keep your head up & please don't hog the carriageway, **keep to the inside lane at all times**, sometimes cars stop on the carriageway, honest!

IN THE INTERESTS OF YOUR OWN SAFETY, Cycling Time Trials and the event promoters require you to wear a HARD-SHELL HELMET that meets an internationally accepted safety standard. It is also compulsory that WORKING FRONT & REAR LIGHTS, either flashing or constant, are fitted to the machine in a position visible to road users and are active while the machine is in use at all times.

## Don't Forget You Need Front & Rear Lights

**Do not park near the start on the verges, entrance to the ranges, or the depot as this is MOD land, and it is likely that you will be clamped or worse . . . . . as well as a DQ!**
