Before Collecting Numbers at the HQ all competitors MUST SIGN ON and SIGN-OFF. Failure to do so will result in that rider being classified as DNF.

Local Regulations

No Parking in Start or Finish Areas other than Timekeeper and Officials

Warnings:

Care at Junctions

Riders must exercise care at all junctions. Any competitor whose riding line causes him/her to cross THE WHITE LINE when approaching or leaving a junction will be liable to disqualification and may be reported to the district committee for further disciplinary action.

A competitor who swings out to the right before executing a left turn should ensure that the road behind is clear of traffic before doing so. The practice is not encouraged by the District Committee and competitors who ride in this manner are warned that in many circumstances this manoeuvre will be regarded as a contravention of regulation 47(i), (iii), (v).

No U Turns

Riders must not perform U turns in the vicinity of the start or finish of the event. Riders observed performing U turns will be reported to the District Committee who will consider disciplinary proceedings.

Safe riding

Riding with your head down such that you do not have a good view of the road ahead is dangerous - please watch out for potholes, obstacles, and other road users. Marshalls do not have the authority to control other road users, so please take care.

Helmets (CTT Reg 15) Note change to rule: All competitors must wear a properly affixed helmet which must be of hard/soft shell construction. Helmets should conform to a recognised Standard as detailed in CTT Reg 15.

Lights

Rear light. CTT Reg 14(i) No competitor shall be permitted to start either a Type A or Type B event unless such competitor has affixed to the rear of their machine a working rear red light, either flashing or constant, that is illuminated and in a position that is clearly visible to other road users.

Front Light. CTT Reg 14(j) No competitor shall be permitted to start either a Type A or Type B event unless such competitor has affixed to the front of their machine a working front white light, either flashing or constant, that is illuminated and in a position that is clearly visible to other road users.

Other notes

A competitor overtaking another must pass without receiving or giving shelter. The onus of avoiding company riding shall be upon the rider overtaken. (CTT Reg 21)

Ensure that you review the Risk Assessment at or before signing on. It can read and downloaded from here:

Please allow sufficient time to ride to the start From the HQ turn left onto the A50 and then turn first left into Byley Lane. The start is just before the bridge over the M6 and is approximately 0.7miles from the HQ.

For a suitable warm up area please use the stretch of Middlewich Road between Byley crossroads and the A50. From the start continue on Byley Lane over the M6 and turn right into Middlewich Road at the crossroads.

Road bike criteria:

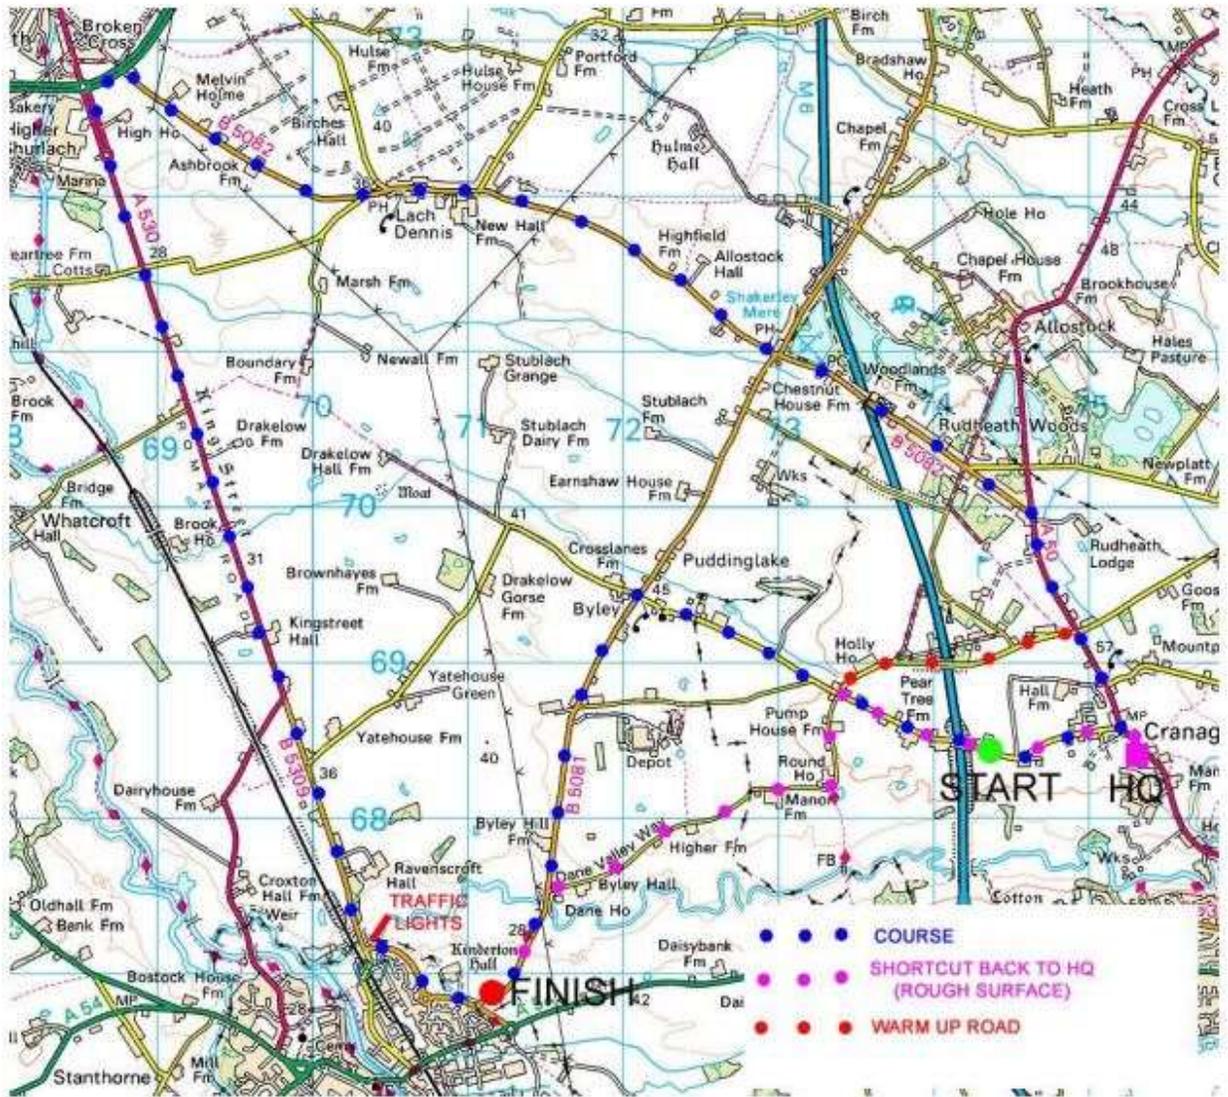

- Road bikes can possess drop or straight handlebars; no tri-bars, clip-on bars or Spinacci bars are allowed; no disc wheels; both front & rear wheels must have at least 12 spokes each; the maximum rim depth allowed is 90mm.
- Helmets must not cover the ears or have a tear drop/pointy style "tail", any helmet vents must not be covered or blocked. The helmet must not have been altered or had any element added or removed in terms of design or form but may be used as the manufacturer intended (e.g., sliding vents). It is prohibited to add a detachable cover to a helmet. Additions to the helmet are not allowed (cover, tape etc.).
- Competitors must predominantly ride holding the drops or brake hoods. Riders may not ride in the "Puppy Paws" Position or simulate a Tri-Bar position by resting the forearms on the handlebars.

On behalf of the Duks, I would like to take this opportunity to wish you an enjoyable and safe ride.
