

Cleveland Coureurs/VTTA (North) Open 10mile Time Trial

To be held on Sunday 5th June 2022, promoted for and on behalf of Cycling Time Trials under their Rules & Regulations.

Organiser: Gavin Russell, 2, Antrim Ave, Fairfield, Stockton-on-Tees, TS19 7JF
Tel: 01642 654419. Mob (on day only): 07543546815. Email: gavin_russell@hotmail.co.uk

Timekeepers: Mr Don Urwin & Mr David Oliver

Handicapper: Mr Gavin Russell

Headquarters: Crathorne Reading Rooms. Unfortunately, there is no parking available at the HQ. Please do not park in Crathorne Village as it causes obstruction for large heavy agricultural vehicles. As this is the Queens Celebration weekend, there is a village party at the Cricket ground in the afternoon, so there may be more vehicles local to where we normally park. For parking, please use the lane leading to the Rountons over the A19, but park on the west side of bridge, or alternatively on the west side of the road leading to the start from Crathorne.

If you feel unwell on the day or days leading up to the event, please do not travel to the event, please stay at home.

- i) *All numbers are available at the Event Headquarters. All riders will be required to sign in, when collecting their number. A notice will be on display, adjacent to the signing on sheet, identifying any significant risks that may have been identified on the day of the event, which may affect the rider's or official's safety.*
- ii) ***When signing on, please tick the box to identify if you are riding a road bike***
- iii) *Each rider must sign out at the completion of their ride, when returning their number. Failure to sign out will result in a DNF being recorded in the results.*
- iv) *On returning to sign out, please leave your number in the provided box, so they can be washed & sanitized before their next use.*
- v) *If a dope control has been established for the event, notices will be displayed local to the signing on sheet, indicating the numbers of the riders to be tested. It is the rider's responsibility to check whether his number is listed, as failure to report to the control in a reasonable time could result in an adverse finding being recorded against a competitor, with the consequence of a ban being issued.*
- vi) *No cars other than the Event Officials are to be parked at the start or finish*
- vii) *No U turns are to be undertaken within sight of the start or finish.*
- viii) *Riders are not to warm up on any part of the course, whilst the event is being held.*
- ix) *In the interest of your own safety, **hard shell helmet use is now mandatory for all competitors.***
- x) ***A front & red rear working light must be affixed to a competitor's cycle at the start. No lights = No Ride.*** *We do have some spare lights that may be borrowed, should you forget yours. These will be available at the sign on &/or at the start.*
- xi) *After returning to the HQ, you are invited to share a cuppa & cake/biscuits with your fellow competitors, whilst viewing the result board.*

2021 Teesside District Road Bike Specification

To compete in the 2021 road bike category in any of the Teesside District open event, the following specification is appropriate to the conditions of inclusion:

Signing On:

1. When signing on please tick the road bike column to indicate that you are to compete on a road bike.

The Rider:

1. No time trial style pointy helmets (including Kask Bambino), or helmets with built in visors are to be worn.
2. Use of skinsuit is permitted
3. No riding with elbows or forearms on the handlebars (known as "puppy paws"). If witnessed, the competitor may be disqualified.

The Machine:

1. The frame should be constructed in the traditional pattern, i.e. built around a main triangle. Multi geared bikes as well as fixed wheel machines are permitted.
2. No time trial style or triathlon forward extension bars with or without elbow pads will be used.
3. Wheels should be of a spoked construction, with a minimum of 12 spokes and a maximum depth of 65mm.

Please apply the spirit of the road bike competition in your equipment choice. Non-compliance with any of the above (albeit for point 3 in rider section) will result in the competitor being excluded from the road bike category.

The Organizer would very much like to thank those who have assisted in making this event possible and to those competitors who continue to support the time trials on Teesside.

Hard Copies of the start sheet will be available for collection at the HQ
