PRIZES-

The rules for EA VTTA events are as follows:

1. Awards will be made on standard "plus" or "vets' handicap", with separate results lists for men and women and separate prize lists.
2. In order to ensure broad equality of access to awards, the number of awards offered in each category will be proportional to the number of entries in that category according to the following formula:

First place will be awarded in each category irrespective of the number of entries. Thereafter, one award will be added for every 10 entries per category. Thus, a field with 90 male competitors and 30 female competitors would have 10 awards for men and 4 awards for women.

3. Awards will be identical in value, place, for place, for men and women as follows: 1st: £30; 2nd: £25; 3rd: £20; 4th: £15; 5th and all subsequent places: £10. Riders placed 1st, 2nd or 3rd may opt to receive a medal in lieu of a monetary prize. These values will be kept under annual review.

4. There will be separate team awards on aggregate standard or vets' handicap for men and women. Men's teams will comprise the best three male riders on standard from one club. Women's teams will comprise the best two female riders on standard from one club.

HQ is under new management – they have requested “Please can I request that you ask your members to park respectfully on the side of the road and not to block the pavements. We do have farm tractors/traffic using the road, so need to make sure they leave enough for the large vehicles to pass.”

Also please do keep to the speed limits – we don't want to lose this HQ.

If you cannot ride please notify me.
