PLEASE READ - COURSE CHANGE

This year's course is different from previous events due to roadworks.

The start is on Drift road at the same place as used for the 10 mile course, approximately 1 mile east of the usual 15 start.

The course will consist of two laps of the finish circuit. In other words you must turn left at Maidens Green crossroads on both the first and second laps.

Overall course length is still around 15 miles, an exact figure cannot be given as the course had not been measured.

Advice will be available at signon - please ask if you are unsure of the course.

IMPORTANT - PLEASE READ

It is now mandatory to have a working FRONT & REAR light fitted to your bike. Without a light you will not be allowed to start.

It is also mandatory to wear a HELMET. Without this you will not be allowed to start.

Please note that all riders must sign out at the end of the event as well as at the start. Failure to do so will result in a DNF.
