IN THE INTERESTS OF YOUR OWN SAFETY, Cycling Time Trials and the event promoters require you to wear a **HARD-SHELL HELMET** that meets an internationally accepted safety standard. It is also compulsory that a **WORKING REAR LIGHT**, either flashing or constant, is fitted to the machine in a position visible to following road users and is active while the machine is in use

Course Description P917

After leaving the Pit Lane you are starting your **First Lap**, bear right, then right, then a little wiggle at St Mary's, then bear right ready to go down the Lavant Straight (Big Gear). At Woodcote there are two rights then a left & you are now on the finish straight, **first lap completed**. Next lap repeat. If you are doing 5 Laps, then the finish is in the coned area on the left at the end of your fifth lap. Youths do either three laps or four (with the same finish), however they will need less of an explanation. There are signs to show you where the finish is, so please observe. Do not wear mittens as these can hamper your lap counting skills. Full details of the course follow. ~ **please read the circuit instructions**.

This is a 30 second Start Time Event,

Check your Launch Time, late starts may not be an option.

COURSE DETAILS, CONDITIONS & PROTOCOL

We will be calling riders to the start area in batches of ten, please listen out for your number & be ready to go to the start area, it is YOUR responsibility to be in the undercover area in time to race (5min), bearing in mind you are going off at **30 second intervals**. Social distancing must be respected in the start area.

The start is approximately halfway along the pit lane wall where you will do a standing start. When entering the track please check for other riders, you will then do five laps (less for Juveniles) ignoring the chicane (This is a wall on the track, you must stay to the left of the wall while racing).

Whilst racing we request that you favour the right-hand side of the track & only overtake to the left of a rider in front. All riders need to check it is clear to overtake. There are two left-hand corners (St Marys & down the Lavant Straight) where this could be an issue.

We have two marshals on motor bikes driving around the track, looking for lost riders.

At the end of your fifth lap (approx. 11.84m or 19km it's a good idea to have distance on your device) you will finish in the finish area, this is on **the left-hand side of the track & you will have seen the green coned off area** at the start & on previous laps. Ride to the left & into this coned area to finish on the finish line, remembering to call out your race number. Finishing outside the coned area will not give you a finish time.

Once you have finished, please do a cool down lap, riding tight to the left-hand side of the track. Now the complicated bit! At some stage we need you to go to the right-hand side in order to come off the track, **but PLEASE do this on the Lavant Straight so you do not affect any other riders.**

At the chicane you must stay to the right of the wall & exit the track.

AT THE END OF THE RACE

As you exit the track through the gate there will be a Sign and a box to return your race number.

PLEASE, DO NOT IN ANY CIRCUMSTANCES CROSS THE AIRFIELD.

Should you have a mechanical, you must walk back around the circuit as it is a working Airfield. There will be motorcycle marshals riding round if you need assistance.

ARRIVING AT GOODWOOD

Goodwood Circuit will not be open for riders until 17:30, please respect the early starters **and only arrive at a time that suits your sign on and warm up**. At the entrance you will be greeted by Goodwood staff who will ask for your name. Remember this is a private facility.

CAR PARKING

After progressing through the tunnel, you will turn left into the bayed car parking area. Please park up as quickly & tidily as directed.

SIGNING ON

Once parked, go to the reception area to collect your race number (signed in). There are two toilet blocks one at either end of the Car Park but changing is limited so you should arrive **race ready**. To speed up registration there will be two lines depending on your race numbers, odd numbers one side even on the other, please read the sign.

Turbo warm-ups are allowed as long as you can respect the current social distancing rules. **There is no access to the track prior to racing. Please do not leave the inner circuit through the arrival tunnel, if you wish to warm up on the road please use the access tunnel to the right of the sign on area.**

Spectators are requested to watch from the viewing area above the Pit lane (Not in the Pit Lane) & to respect Social Distancing at all times. Coffee, Tea & Cake can be Purchased from the "horsebox" on site.

We Must Respect Current Social Distancing Regulations. & Lastly, Enjoy your evening
