Alternative Parking

The Farndon HQ has ample parking and gives us the benefit of providing an indoor HQ with the associated improvement in toilet and catering facilities over the traditional Broxton Car Park HQ. Any riders looking to avoid the ride to the start may wish to move their vehicles to the car park at Broxton after sign-on.

2. It is recommended that a working rear light, either flashing or constant, is fitted to the machine in a position visible to following road users and is active whilst the machine is in use.
3. No U-Turns on the course or at the start or finish areas.
4. Ride with your head up riding at all times. Dangerous riding is endangering the future of our sport.
5. Results will be displayed at the HQ, do not disturb the timekeeper.
6. Riders must exercise care at all road junctions.
7. Take particular care when approaching Broxton Roundabout to join the A41 shortly after the start, ensuring that you are easily able to stop should traffic conditions dictate.
8. Any competitor whose riding line causes him/her to cross the white line when approaching or leaving a junction will be liable to disqualification from the event and may be reported to the District Committee for further disciplinary action.
9. A competitor who swings out to the right before executing a left turn should ensure that the road behind is clear of traffic before doing so. This practice is not encouraged.
