**A556 Island:** Riders must negotiate A556 Island in a safe and sensible manner in accordance with CTT Reg. 20 and the rules of the road. Riders must be able to brake and stop at the Island if traffic conditions require this.

Riders must not approach and turn left at the island using tri-bars. Remember – traffic on the island has priority over traffic (including riders) entering it. Any riders seen in breach of this regulation will be disqualified from the event and may be reported for further disciplinary action.
