Do not take unnecessary risks. Riders are reminded of CTT Regulation 20. Any competitor observed riding without due care or entering the oncoming traffic lane will be disqualified.

SPECIAL NOTES

This course consists of two laps of a 9 mile circuit. Please avoid unnecessary queuing at the start as other teams could be commencing their second circuit. Take extra care if turning in the road in the start area. Do not perform a U turn within sight of the finish line.

Note – there is a possibility that course AS/19 may not be available due to roadworks. I will check this over the preceding weekend and advise all competitors via email. If this proves to be the case, we have the option of a backup course which would make the event a 10mile TT.

Riders are reminded of **CTT Regulation 32** regarding team time trials which will be strictly enforced. Special attention is drawn to **paragraph (h)** regarding racing between teams. Please shout your number [even number only] when finishing. No times will be given by the timekeeper; the result board will be at the clubhouse. Best of luck to all riders, **please keep heads UP**, but most of all **enjoy your ride**.

IN THE INTERESTS OF YOUR OWN SAFETY, Cycling Time Trials and the event promoters require you to wear a **HARD-SHELL HELMET** that meets an internationally accepted safety standard. In accordance with regulation **15 ALL JUNIOR COMETITORS** must wear Protective Hard Shell Helmets.

It is mandatory that a working front and rear light, either flashing or constant, is fitted to the machine in a position visible to other road users and is active whilst the machine is in use.
