## **WARNING !! POTHOLE!!**

Riders are reminded to ride with their head up and looking forward at all times.

**HQ to Start:** 4 miles of flat road. From the HQ turn right onto Comberton Road and continue to Hardwick Road where turn left, continue through Hardwick and then turn left onto St. Neots Road. Straight on (1st exit) at Hardwick roundabout and continue to large roundabout by BP garage where take the 3rd exit onto St. Neots Road. Start is on the A428 overbridge. **NO "U" Turns.**

**Finish to HQ:**

**NO "U" Turns after Finish.** After finish, stay on St Neots Road, for approx 800 yards until junction with Cambridge Road, where turn left. Continue through Hardwick village to Toft where turn right. HQ (signposted People's Hall) is on the left in School Lane.

There is very limited parking at the HQ (car park is opposite Hall) but careful parking on the grass verges of the road from Toft to Hardwick is okay. Please DO NOT park in the residential streets by the HQ – there is plenty of space to park on grass verges along St. Neots Road nearer the finish **but do not park on the left-hand side between the Start and the Hardwick roundabout.**

**If riding allow at least 30 minutes to get to start line.**

**At the HQ:** The HQ is in a small village. We are guests in the village; please be considerate of local residents.

**Parking:** No parking at the finish or close to the start.  
There is limited parking at the HQ and some wide verges on St Neots Road west of the start. Park with consideration at all times and do not block driveways or cause any nuisance to local residents.

**Cycle lights** No competitor shall be permitted to start either a Type A or Type B event unless such competitor has affixed to the rear of their machine a working rear red light, either flashing or constant, that is illuminated and in a position that is clearly visible to other road users.

No competitor shall be permitted to start either a Type A or Type B event unless such competitor has affixed to the front of their machine a working front white light, either flashing or constant, that is illuminated and in a position that is clearly visible to other road users.

**Helmets:** All competitors must wear a properly affixed helmet which must be of hard/soft shell construction.

**Warming up:** No warming up along the course by competitors once the event has started. No U-turns on the road close to the start or finish.

**Refreshments:** There will be limited refreshments available at HQ after the finish. No fixed prices, please make a contribution at your discretion.

**Litter:** Riders are reminded that dropping litter (such as gel wrappers) is a criminal offence and offenders will be liable to disciplinary action by the District Committee.

**Signing out:** No sign out, no time.

**Rider safety:** The intention is to cross the finish line as quickly as possible and there's no prize for crashing at the highest speed. Vehicles can stop on dual carriageways so stay alert.
