As soon as you have finished, you should return to the HQ as it is your responsibility to check if you are required for testing.

Race numbers required for doping control will be displayed adjacent to the result board.

Remember, you are required to return to the HQ to sign back in again after finishing your ride.

Please remember to give thanks to all Marshals and Club members, without who, this event would not be possible.

And finally, there is a little bit of history about this event on the next page!

The Lighthouse Cafe at Gunthorpe from the early 1950's. It was the owners of the cafe that donated the Lighthouse Trophy to the ANDCC (Association of Nottingham and District Cycling Clubs). The trophy is still raced for every September and is currently held by us. Any Nottingham and District Club is currently entitled to win the trophy. It should be renamed the "Poisoned Chalice" trophy as winning it means you are obliged to promote and run the event the following year and every subsequent year until you lose...

The building is still there and is now a restaurant called The Bay Tree.
