Local Rules and Regulations

Competitors are requested not to warm up on the course after the first rider has started.

CTT Regulations now require that no competitor shall be permitted to start either a Type A or Type B event unless such competitor has affixed to the rear of their machine a working rear red light, and to the front of their machine a working front white light, either flashing or constant, that are illuminated and positioned to be clearly visible to other road users.

CTT regulations require the use of a helmet that meets internationally accepted safety standards for all competitors.

Official Observers will be stationed around the course.

Notice of any additional hazards to be aware of on the course will be displayed next to the signing on sheet.
