6. Vehicles on course :

Time trialling under CTT regulations is unsupported. Riders must not be followed, for any reason whilst on course. Any rider suspected of this will be disqualified and reported to the CTT. This practice and so called layby hopping is dangerous for other participants and a nuisance to traffic and will not be permitted under any circumstances. **PLEASE OBEY THIS FOR THE SAFETY OF ALL THE RIDERS. IT'S REALLY DANGEROUS!**

7. Race Protocol

Riders are not permitted to warm up on course whilst the race is on.

The Time Keepers / Pusher Off / Course Clerk will be checking that riders a) have their number attached and, b) have a working front and rear light. Either of these are missing and you will not be permitted to race.

Make it easy for the finish time keeper, when you cross the line, shout your number as loud as you can. Do not approach the finish time keeper at any point for any reason.

Once you have finished please return your number to HQ and ensure you sign the sheet to indicate you returned safe.

PLEASE DO NOT FORGET YOU NEED A WORKING REAR AND FRONT LIGHT NOW
CTT Regulations state they are mandatory and you will not be able to start without them fitted to your machine and have them working when you set off.

Don't forget to return number and SIGN OUT after your ride – REG. 17(b). Failure to do so will result in rider being recorded as a DNF.

8. Refreshments

The café will be closed as it is not open on Sundays. Please be prepared with your own refreshments.
