**IMPORTANT - PLEASE READ THE FOLLOWING NOTES,
NATIONAL AND LOCAL CTT REGULATIONS**

1. No 'warming up' by competitors is allowed along any part of the designated course after the event has started.
2. **NO "U" TURNS** are allowed within sight of either the start or finishing points. Riders carrying out this dangerous manoeuvre are liable to disqualification from the event and further disciplinary action by the District Committee.
3. No riders will be allowed into the Start area prior to 5 minutes of their Start Time.
4. No vehicles are to stop or park on road or verges at Start or Finish.
5. Marshals placed to direct competitors off the main carriageway **MUST NOT** stand at the apex between the carriageway and the slip road but should be located at the commencement of slip road.
6. Riders are reminded that dropping litter (such as energy gel wrappers) is a criminal offence and offenders will also be liable to disciplinary action by the District Committee.
7. **IN THE INTERESTS OF YOUR OWN SAFETY**, Cycling Time Trials and the Event Promoters strongly advise you wear a **HARD SHELL SAFETY HELMET** that meets an internationally accepted safety standard. In accordance with Regulation 15 ALL Juniors and/or riders under the age of 19 years are required to wear a suitably approved helmet.
8. Riders are reminded that no competitor shall be allowed to start an event unless such competitor has affixed to the rear of their machine a working rear red light, either flashing or constant, that is illuminated and in a position that is clearly visible to other road users. **NO LIGHT – NO RIDE**.
9. CTT has issued two PDF documents, a Covid-19 Risk Assessment and "Putting on a Cycling Time Trials Event during COVID19". If you haven't already read them please download them from the CTT website and read them carefully.
10. Competitors should not attend if they feel ill in ANY way especially if they or family members have any Covid19 symptoms. At no time must riders and helpers gather in groups of more than six. Social distancing must be obeyed at all times, around the HQ area, at parking areas and at the start.
11. No changing facilities will be available at the HQ. Separate Toilet facilities are available for men and women but only one person at a time is allowed in the respective room.
12. Riders' body numbers will be available at the event HQ and must be personally signed for after reading any special course instructions. We will be using normal race numbers rather than disposable numbers so make sure you return them after your ride and place into the box provided so we can wash them later.
13. As soon as you have finished you should return your number to the event HQ and personally sign out (failure to do so may mean you will be recorded as DNF). You should also check to see if you are required for Doping Control.
14. The field layout has been based on riders' best 25 and 10 times.
15. Please inform [Organiser](#) or [Webmaster](#) of any improvement in your Personal Best. Failure to do so could result in you being disqualified from the Improvement Award.
16. It's worth mentioning that the Shaftesbury runs the Middlemarkers 25 to give slower riders a chance to ride the faster courses and riders faster than the limit will normally be rejected.

Details of F2a/25 Course.

START (GR TL389595) on St Neots Road west of Madingley RAB 626 yds west of RAB at a point 6 yds west of 'Comberton 2' sign and 95 yds west of road leading to Comberton. Proceed eastwards to Madingley RAB where take 1st exit onto A428 westbound, past Hardwick and Cambourne flyover junctions to TURN (6.56m) at Caxton Gibbet RAB (junction with A1198). Retrace on A428 eastbound and about 1 mile past Hardwick flyover bear left onto A1303 sliproad, signed Cambridge. Follow over A428 to TURN (12.86m) at Madingley RAB taking 4th exit to rejoin A428 and retrace westbound to TURN (19.13m) at Caxton Gibbet RAB. Retrace on A428 eastbound and again bear left onto A1303 sliproad, signed Cambridge, to **FINISH** on sliproad, 15 yds past two posts (was a 'Bends' sign) (GR TL388596).

HQ to Start: 3.2 miles of flat roads. From the HQ go left on Furlong Way to the T-junction with Highfields Road. Turn left and follow over mini RABs to large RAB where take the 3rd exit onto St. Neots Road, past the BP garage. At the next RAB take the 3rd exit signed 'Hardwick' and the start is further along this road. Signs will mark the route.

Finish to HQ: Continue to RAB where take 3rd exit, signed 'Comberton, Hardwick'. Stay on this road past the start until it bears right to a RAB where take the first exit. Follow this road to the next RAB where 1st left then follow over mini RABs and turn right into Furlong Way. Signs will mark the route.

NOTE: No vehicles to park or stop on slip road or verges at Start or Finish. There is limited parking at the HQ but careful parking on the grass is okay. There is another small parking area just past the HQ entrance. Please **DO NOT** park on the residential streets by the HQ (another Covid-19 consideration) – there is plenty of space to park along St Neots Road on the way towards the start.
