### REQUEST TO RIDERS

At events on this course last season there were vociferous and repeated complaints about noise early in the morning from a resident of a property by the North Henfield Roundabout. These related to calling out to marshals and also the noise emanating from disc wheels at the turn.

We are keen that the situation does not escalate.

Riders are requested to desist from calling out at this point, and also to consider not using a disc wheel.

London South DC strongly recommend that riders do not wear black or dark clothing during any event held on the public road.

REGULATIONS which please read and take note:

CTT regulations require the use of a helmet that meets internationally accepted safety standards for all competitors.

CTT regulations now require that no competitor shall be permitted to start either a Type A or Type B event unless such competitor has affixed to the rear of their machine a working rear light, and to the front of their machine a working front white light, either flashing or constant, that are illuminated and positioned to be clearly visible to other road users.

Under 18 years old riders: Bring a completed parental consent form to present before signing-on.

No form = no ride.

PLEASE REMEMBER TO SIGN ON FOR YOUR NUMBER,

AFTER FINISHING, SIGN BACK IN WHEN RETURNING YOUR NUMBER.....

.....GRATEFUL THANKS TO ALL ENTRANTS, .....  
same number as 2023.
