Course: WE50/02 - description

This event is being run on the WE50/02 course.

The start is approximately 0.3 of a mile to the west of the Tayside Contracts depot beyond the new housing building site just prior to the National Speed Limit sign on the A926. Proceed west to take the **first** exit at the roundabout to join the A90 towards Dundee. Proceed on the A90 to leave the carriageway at the next junction* (A94 for Forfar and Glamis), pass the entrance to the McDonalds drive-through (caution), to take the **first** exit at the roundabout to pass under the A90 to take the **first** exit at the roundabout to rejoin the A90 northbound. Proceed on the A90 passing all junctions until you leave the carriageway at the first Brechin exit** (A935). Cross the A90 flyover to take the **second** exit at the roundabout (caution, this is off camber and may be slippery if wet) to rejoin the A90 southbound. Proceed all the way to the exit for Forfar and Glamis (A94) as described above (*) to repeat the route to Brechin A935 (**) and return on the A90 southbound to leave the carriageway at the A926 junction (Kirriemuir and Forfar). Take the slip road to take the **second** exit at the roundabout (**caution**) to finish at the 40mph sign on the A926 heading towards Forfar.

Please exercise caution at the final roundabout and take no undue risks.

After finishing, proceed along the A926 for a short distance to arrive back at the HQ.

The course will be signed and marshalled, but it is the riders' responsibility to know the route. Marshals, timekeepers and other volunteers have given up their time to allow you to race, any abuse or aggression towards them will result in disqualification.

DO NOT approach the timekeeper for results.

No results will be available at the HQ, so please sign off, pack up and leave.

Results will be provided via email and social media as soon as possible later in the day.
