elevated roundabout (4m), taking fourth exit onto A11 northbound.
Continue along A11 to join A14 and after approx. 7 miles bear left onto A11.
Continue past Suffolk boundary to Freckenham sign, B1085, (Note: there are
two exits both signed B1085, the second, or more easterly, is the correct
exit) and take slip road (M) to ‘T’ junction. Turn right (M) WITH CARE to

take second exit (M) into ‘Newmarket Road’ continue to roundabout where

FINISH 2 kerb joints east of eastern end of central traffic island approx 30
yds east of Weston Colville/West Wratting 4 Sign.
- HQ to start: Nearly 4 miles of flat road, via Great Wilbraham. The route will be signed.
- Finish to HQ: Continue on past the finish and turn left at the cross-roads. Follow to Little
Wilbraham and then Great Wilbraham. The route is 6 miles and will be
signed.
- Parking: No parking at the finish or on the road close to the start. There is plenty of
parking at the HQ or close to the finish in ‘turbo alley’.

Warming up:	No warming up along the course by competitors once the event has started, but riders may ride to the start along the A11 from Six Mile Bottom (but do not obstruct passing riders). No U-turns in view of the start or the finish.
Safety note:	LED rear lights – it is strongly recommended that a working rear light is used by all riders, flashing or constant. It could save your life.
Cycling helmets:	CTT and the event promoter strongly advise you wear a hard-shell helmet that meets internationally accepted safety standards.
Numbers:	Will be at the HQ an hour before the first start. When you return your number and sign out you will get a free cuppa. Cakes will be available and all receipts will be donated to East Anglian Air Ambulance. You may need their help one day, so be generous!

The Viking Road Club Open 50 was one of the classic Essex time trials reliably producing fast times from top riders on the Southend Road and later on the A12. Sadly the event had its last running in the 1990s and in 2017 the Viking Road Club was disbanded. Cambridge CC has now resurrected the classic event on the record-breaking E2/50c course.
