Thank you for entering the fifth Cycle Club Basingstoke (CCB) hill climb. We hope you have a safe and enjoyable race.

This year have moved the race to a new course on Watership Down (where Richard Adams' eponymous book was set). This is an interesting and testing hill that has previously only been used for club events.

Please bring along as many relatives/friends/fans(?!) as possible. The more noise and atmosphere that there is on the hill, the less your legs will hurt!

After the race, please join us (with your supporters) for cake and prize giving in the HQ after the race (at approximately 11:30am).

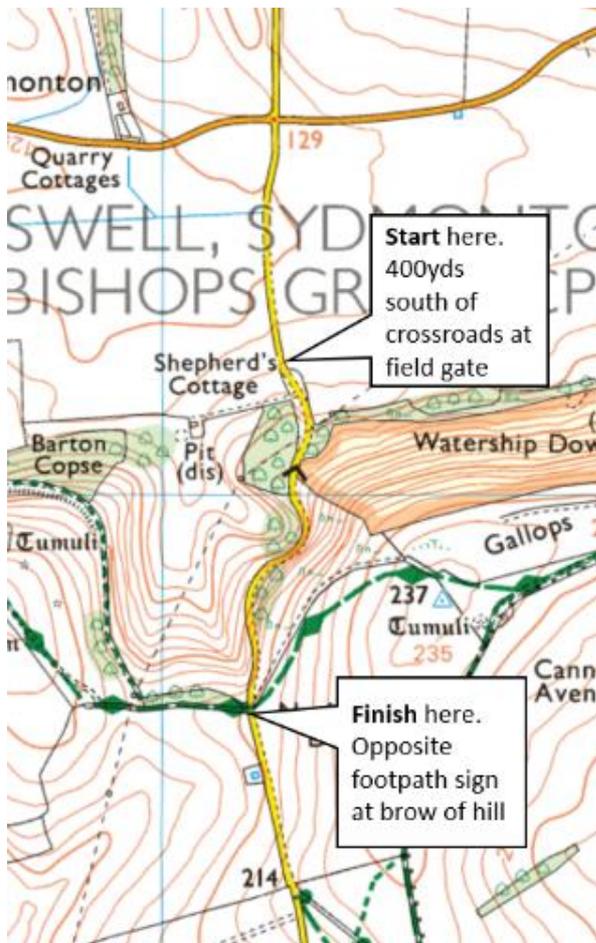

**THANK YOU to Pedal On, Tadley (pedalon.co.uk) who have made a significant contribution to the prize list.**

## Competitor Information

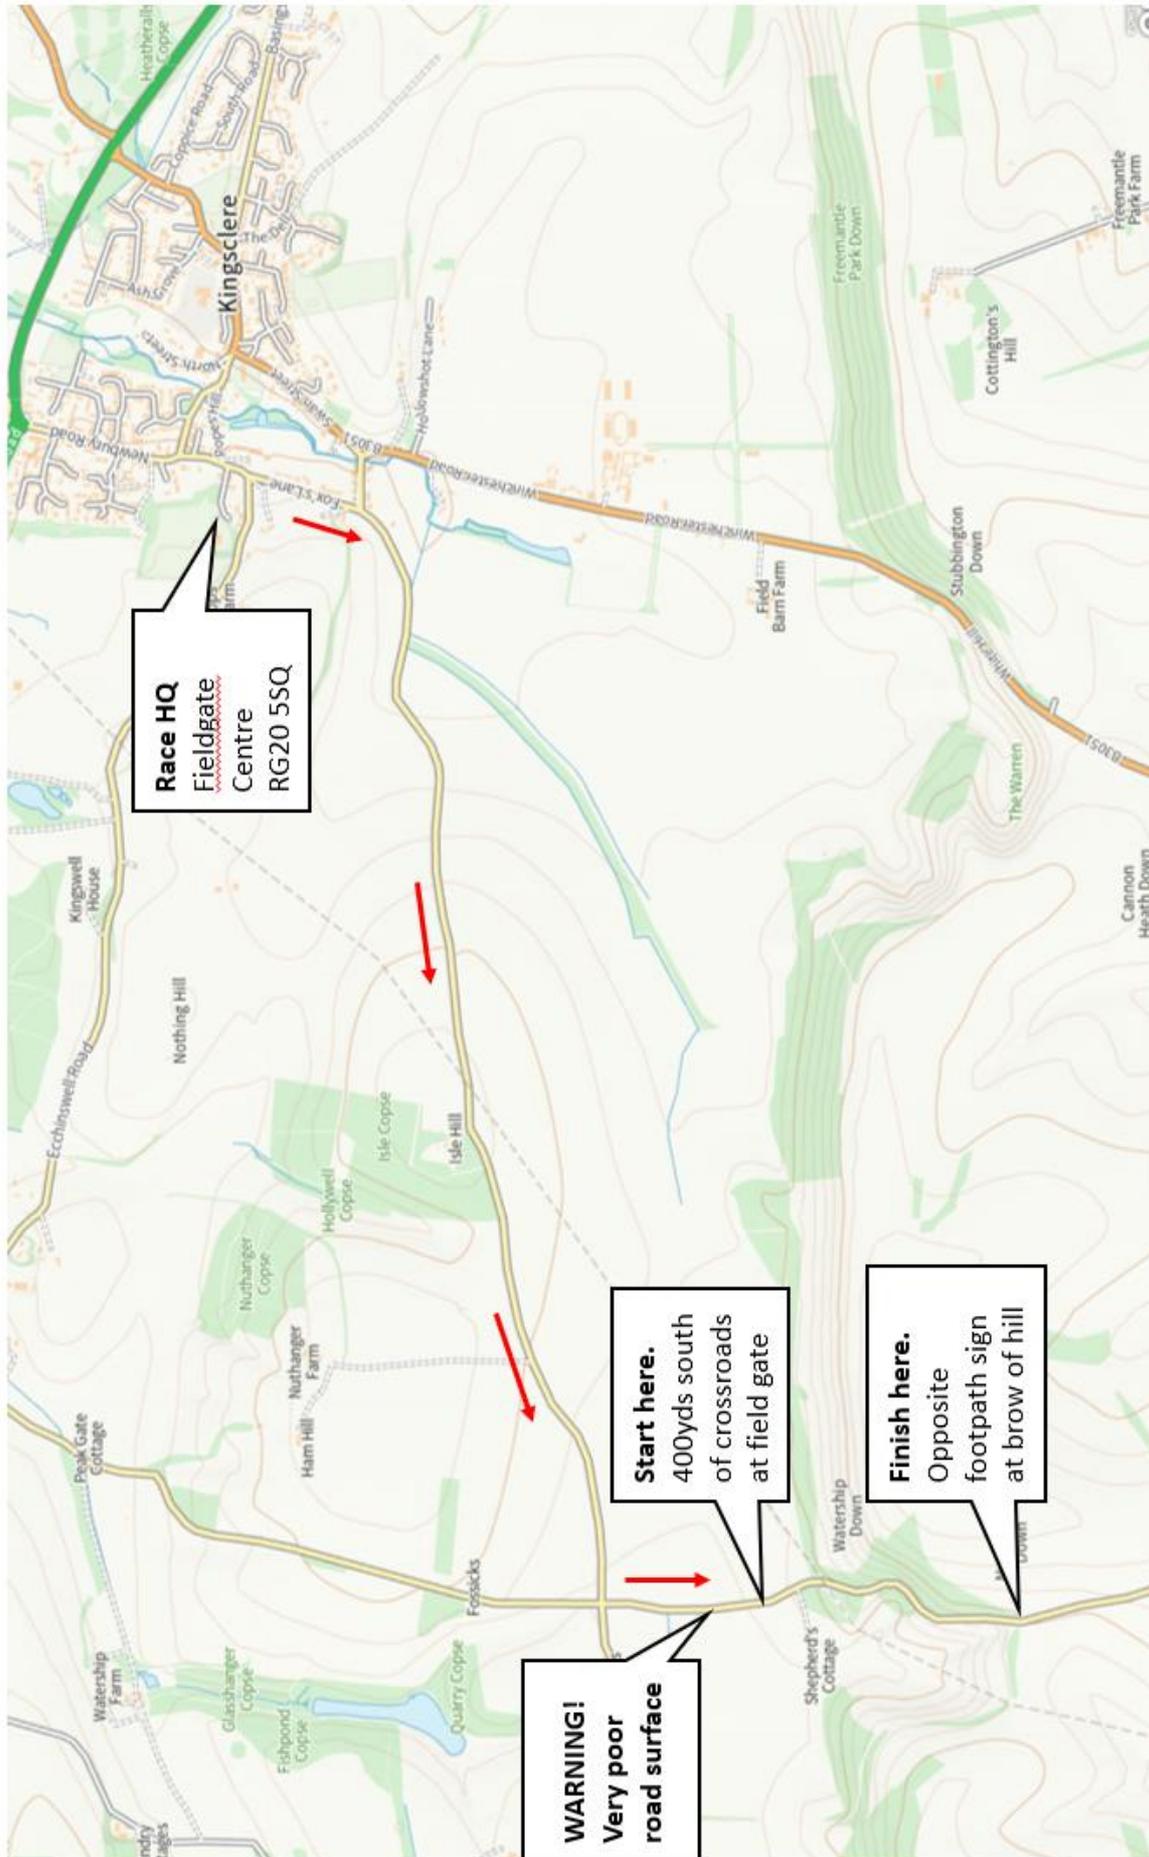

### To note

- Competitors must **SIGN IN** and collect their number from the HQ in Kingsclere before the race. Competitors must also **SIGN OUT** in the HQ afterwards.
- Under 18s must bring a [parental consent form](#) when they sign in.
- Please do not wear **SHOES WITH CLEATS** in the HQ.
- It is approximately **2.2 MILES** from the HQ to the hill. Please **ALLOW PLENTY OF TIME IF YOU ARE RIDING TO THE START**. You should follow the route on the attached map, which will also be signposted. Please note that this route includes a hill – but is an excellent warm-up.
- There is lots of **PARKING** at the HQ, and some limited parking at the top of the hill and on the verges in the surrounding lanes. It is not recommended that you park on the hill, but if you do so, please ensure that there is still space for cars to pull in and pass each other. Please always park considerately. Do not park on the narrow section of road before the start.
- We will sweep the course as much as possible, but there may still be **GRAVEL** on the course. However, please note that the road immediately before the start is very broken and covered in gravel and you may decide it's best to carry your bike! We will do the best that we can – and will of course pray for your Vittoria Corsa tyres!
- Please join us at the HQ after the race for **RESULTS, PRIZE GIVING AND REFRESHMENTS**. Results will be emailed to competitors after the event.

### Safety information

- This race is promoted for and on behalf of Cycling Time Trials under its [rules and regulations](#).
- This event will be run in accordance with CTT's current [Covid-19 Risk Assessment](#). If you or any of your household are not well or are **SHOWING SIGNS OF COVID-19** or have tested positive and are currently isolating, please do not attend the event.
- Please take **EXTREME CARE** on the course as it is an open road that is narrow in places. The race will be well signed and marshalled but there may be cars on the course. The farm on the course has been notified of the event.
- Riders must **WEAR A HELMET** that conforms to a recognised standard.
- **FRONT AND REAR LIGHTS** must be affixed to the machine in a position where it is clearly visible to other road users.
