V9916 – Course details:

Cragg Vale (B6138) runs from the A646, Burnley Road, Mytholmroyd, to join the A58, Rochdale Road, at Blackstone Edge.

Start on Cragg Road, Mytholmroyd (B6138), approx. 0.5 miles south of railway bridge, at telegraph pole no.2, adjacent to entrance to ELS (Lifting Platforms). Proceed south on B6138, through Cragg Vale, to **Finish** at southern end of wooden fence over drain, on lefthandside of road, and opposite wooden signpost for Whiteholme Reservoir, and Pennine Way, approx 0.5 mls north of junction with A58. (4.812 mls).

Gearing: The steepest part of the climb is the 1-in-10 section round the bends in Cragg Village. The remainder is a long steady climb up to the top of the moors. Geared bikes are recommended with gears in the range 60-120". The last couple of miles can be quite fast with the wind in the right direction. The hill can be ridden comfortably on a TT machine.

TAKE CARE:

(1) through Cragg Village as there are often a number of parked cars – on both sides of the road (more than usual due to working from home!).

(2) when descending the hill back to the HQ – a fair speed can be attained and there are a number of large pot-holes, especially through Cragg Village. Yellow road markings are quite thick in places, and can be dangerous when wet.

(3) there is a local bus service which will pass the start at around 19.30. This turns at the turning circle above Cragg Village, and then descends to Mytholmroyd. Riders ascending hill should be past this point before bus arrives!
