Road Bike event

Please ensure that your bike and attire meet the following criteria if you are competing in the road bike event:

- No tri bars (or other clip-on bars)
- Wheels: no disc wheel and rims no deeper than 60mm (not including the tyre)
- No aero helmet, i.e. nothing pointy.

The Rules:

Helmets

IN THE INTERESTS OF YOUR OWN SAFETY, Cycling Time Trials and the event promoters strongly advise you to wear a HARD-SHELL HELMET that meets an internationally accepted safety standard.

Under 18 competitors MUST wear a helmet.

Rear Light

An illuminated rear light, either constant or flashing, must be affixed to the rear of the machine in a position that is clearly visible to other road users. **No light = no ride.**

Parental permission

All riders who are **under 18** must have a **SIGNED PARENTAL PERMISSION** form. These can be collected when you sign on. Please leave in the box on the signing on table.

Parking

Note that **there is a change to the usual parking location** due to there being a large marquee in the car park. Can you please part in the field across from the book shop. This will be signed. Please leave sufficient space so that you can maintain a 2-metre gap between yourself and others at the event.

Signing on and numbers

You must sign on before you can start. Please bring your own pen. If you have to queue, be sure to maintain a 2-metre gap. Hand sanitiser will be available. **Parents of under 18's must fill in and sign the parental permission form which will be attached to the rider number.** Your number will be handed to you, **please do not help yourself.**

Body numbers

Your number should be fixed so it is clearly visible from the rear when in his normal riding position. **Safety pins will not be provided, so please bring your own.**

Arriving to the start

Please try to avoid arriving at the start more than 5 minutes before your start time. **Only 3 people will be allowed to wait at the start.**

Starting

You will **not be pushed off** and you will start with one foot on the ground.

Any kit you leave at the start is left at your own risk. It will not be picked up by the marshals.

Finishing

You must **ride through the finish.** A short way after the finish there is a lay-by on the right-hand side. This is a good spot to turn around and ride back to the HQ.

Results

No times will be given at the finish. I am hoping that results will be posted on a spreadsheet which will be updated in real time. If this is the case, a link will be displayed at the HQ. If not, the results will be sent out within 48 hours.

After your ride

Do not loiter at the HQ/car park unless you are staying at the café for refreshment. Please sign out, pack away and leave immediately upon completion of your race.

The Thanks:

Many thanks to all of our helpers, marshals and timekeepers – without your help the event wouldn't happen.

Thanks also to the owner and staff at Hassop Station café for once again providing parking and HQ facilities. Please show your appreciation by patronising the business and thus ensuring that we can be back next year, but please remember you must wear a mask when in the café.

The Check list:

- Mask
- Pen
- Safety pins
- Racing shoes!
- Racing kit
- Helmet
- Rear light plus a spare or spare batteries
- Money for refreshments

Thank you for entering. Have a safe ride and enjoy your evening of sport!

A final word.....

This event is renowned for the après race atmosphere, but unfortunately this cannot be the case right now. For the foreseeable future you simply park, sign on, warm up, race, pack up and leave; and you if you do stay for refreshments at the café you need to wear a mask and maintain social distancing. I know that this is not in the spirit of this race, but right now this is the only way we can promote events. So please follow the rules and help ensure that racing can continue. Thank you.
