MESSAGE FROM THE ORGANISERS

Thanks to everyone for supporting the first road bike-only open TT for Beacon Roads CC!

This event forms part of the Midlands Womens TT Series which we are always delighted to support each year and is also a counting event for the national AeroCoach road bike TT series.

We are running our usual annual open 10 mile TT on 17th July – the Janet Kelly memorial 10, which is open to TT and road bikes (with separate prizes for both) – entries for this close on 6th July.

Have a safe ride, and see everyone on the day!

The Beacon Roads CC team

HQ INFORMATION

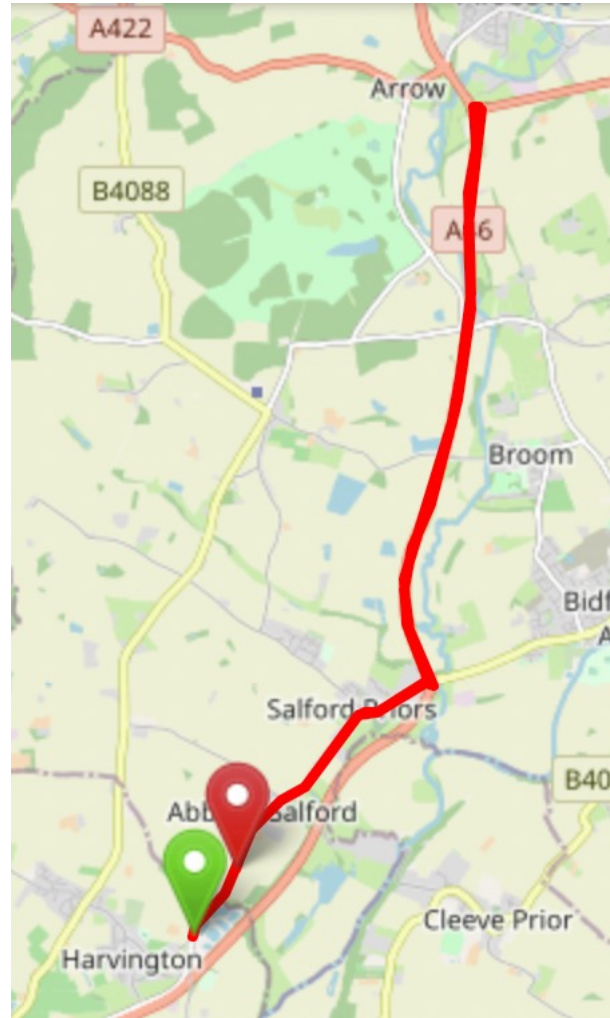

Norton and Lenchwick Village hall (WR11 4TF).

Please note there is extremely limited parking at the HQ and some spots will be reserved for marshals and timekeepers. Please car share/ride from home and park considerately!

There will be additional parking available at Church Farm – instead of turning left into the village hall car park, please continue down the lane for around 500 metres – Church Farm is on your right – please enter through the large steel farm gates.

The start line is 2.1 miles from the HQ, and is a simple ride, turning right straight out of the hall car park and then left on the main road, followed by a right at the mini roundabout. Please use the roads around the HQ and between the HQ and the start line for warming up - remember don't warm up on the course!
