In the interest of your own safety, Cycling Time Trials and the Event Promoters require you to wear a HARD SHELL SAFETY HELMET that meets an internationally accepted safety standard. Riders are reminded that no competitor shall be allowed to start an event unless such competitor has affixed to the rear of their machine a working rear red light, either flashing or constant, and to the front of their machine a working front light that are illuminated and in a position clearly visible to other road users.

Whilst we have many procedures outlined below, we may have to make changes based on events on the day. These will be communicated fully where appropriate. You are expected to follow the guidance of the marshals.

This event is run under CTT regulations which can be found here:
<https://www.cyclingtimetrials.org.uk/>

1. Race HQ

We have rented Liston Hall from the Marlow Community Association as Race HQ for this event. Sign-on will be in the Thames Room. There will be toilet facilities available. You are asked to not urinate in the carpark or grounds or change in full view of any of the residents.

We are very lucky to have this facility, so please do not give them reason to not allow us to use it in the future. All future references to "HQ" in this document are referring to this facility.

Turbo trainer/roller warm up are permitted at HQ but only directly behind/in front of your parked vehicle. You are encouraged to warm up on the road. Riders not following guidelines or instructions from officials will not be permitted to race and will be reported to CTT.

Please allow at least 15-20 minutes to get to the start from the HQ. To get to the start you need to ride up the A404 and around the roundabout at the top of the hill. The start is in the first layby coming back down towards Marlow.

2. Sign-On and Sign Off

Riders not signing on 20 minutes before their start time will be recorded as DNS. If you will not be attending, then please let us know by messaging the organiser on 07887930345 and your entry will be marked as DNS(A).

This is to ensure we can successfully run this event and others in the future and that the event promoters are not being challenged in social media. We are all in this together so please respect the volunteer team and their decisions. Riders not adhering to the restrictions in place will not be permitted to race, will be reported to CTT and might refused entry to future events.

We will be using disposable numbers that do not need to be returned. **However, riders are required to sign-off at the Race HQ. Failure to do so will result in disqualification.**
