A few additional words of guidance about the FPCC Open 25 for riders.

- Bridge strengthening works to A1(M) are taking place at the South Biggleswade RAB underpass, where riders leave A1 southbound prior to the return leg. Many cones are placed on the A1 approach to the off slip and large concrete barriers are in place to filter traffic around the underpass. There is no adverse impact on the TT route and riders have right of way for the most part however riders should proceed with additional caution when negotiating this junction.
- Covid-19 is still an issue and we are still exercising a cautious approach with regards to the pandemic.
- We have access to Tempsford Memorial Hall building however the event will be run in the Car Park. Everyone attending must behave in a Covid secure manner, following the mantra, Hands, Face, Space.
  - HANDS. Make use of hand sanitisers provided; bring your own pen for signing on and pins for your numbers.
  - FACE. Masks are required at all times within the hall; this is not optional regardless of your vaccination status.
  - SPACE. Do not gather in groups, either inside or outside in the car park. Respect others space when using the toilets; one in, one out is the rule.
- No more than 3 riders at the start line at any one time.
- There will be no pusher-off.

There will not be a results board; riders are encouraged to pack up and leave as soon as your ride is finished. Results will be communicated later on Sunday.
