Course

25 miles, A25/12. Start: On A6 by lamp post no. T55798, north of Church Lane, Darley Dale. No cars are to be parked in this lay-by. Riders must stay within the confines of the lay-by and not spill out onto the road. A maximum of 8 riders can be accommodated in this lay-by. (This is also the start of the A10/16)

Go north along the A6, pass through Rowsley (beware of the pelican crossing to the north of the bridge) and continue to Bakewell. Carefully encircle the island – it is much smaller than you think! Retrace the route along the A6 to Matlock. Encircle the island and retrace along the A6 to Bakewell. Encircle the Bakewell island again and return along the A6 through Rowsley and into Darley Dale. Finish at the south end of Park Terrace opposite the milestone approximately 100m north of the start. Please pay special heed to other road users at all times and at junctions with other roads. Keep your heads up! Have a safe and successful ride!
