Please maintain a sensible distance from the rider in front of you while waiting to start
There will be no push off so all riders must start with one foot on the ground

Signing in/out and Numbers will be at the headquarters.

You must sign-in before and sign-out after the event. Failure to do so could result in your exclusion from the results. The numbers will have pins in each corner, please remove and place in box if not needed. Please ensure you return your number.

Doping Control: This event may be subject to Doping Control. As soon as you have finished you should return to HQ as it is your responsibility to check if you are required for a Doping Control. Race numbers required for Doping Control will be displayed at the HQ adjacent to signing in/out. If your number is displayed you should report immediately to Doping Control which will be nearby.

Local Regulations: NO U-TURNS are allowed within sight of either the start or the finishing points. Riders carrying out this dangerous manoeuvre are liable for DISQUALIFICATION from the event and further disciplinary action by the district committee.

Northampton Police stress that all competitors are made aware of the need for good behaviour and consideration towards other road users and local residents in order to avoid any complaints being received.

A working REAR LIGHT either flashing or constant, must be fitted to the machine in a position visible to following road users and is active while the machine is in use.

Hard-shell Helmets are recommended (Compulsory for under 18 year olds). In the interests of your own safety, Cycling Time Trials and the event promoters strongly advise you to wear a hard-shell Helmet that meets an internationally accepted standard.

Please familiarise yourself with the course details. Take extreme care and beware of oncoming traffic and other road users at all times. Do not cut sharp bends or run wide at course turns and be ready to give way to traffic at course junctions.

Observers will be in place. Dangerous riding will be reported and may lead to disqualification
