## Safety Instructions and Regulations

- Helmets CTT regulations require the compulsory use of helmets for the under 18's. In the interests of your own safety, Cycling Time Trials and the event promoters strongly advise all competitors to wear a hard/soft shell helmet that meets internationally accepted safety standards.
- London South DC strongly recommend that riders do not wear black or dark clothing during any event held on the public road, to improve rider safety by making riders far more visible on the roads.
- Lights CTT Regulation 14 requires that "No competitor shall be permitted to start either a Type A or Type B event unless such competitor has affixed to the rear of their machine a working rear red light, either flashing or constant, that is illuminated and in a position that is clearly visible to other road users".
- Warming up Competitors are requested not to warm up on the course after the first rider has started.

- No Vehicles, except those of the Timekeepers' and Event Officials, shall be parked in the vicinity of the start and finish areas
- Competitors must not use ANY audio equipment except prescribed hearing aids. A competitor in breach of this regulation shall be disqualified. Competitors must not use a mobile phone while mounted on their machines.
- No time may be recorded if number is not correctly positioned
- Official Observers will be stationed around the course
- Signing Out Please note competitors must return to the event HQ either during the event or within a reasonable time after the last rider has finished the event and must return their race number and sign the official signing out sheet. A rider who fails to so sign the official signing out sheet shall be recorded as DNF.
